

S.No.	Query	Clarification
1	Should we need to submit our proposal for each Technology (Multi-crystalline /Mono-crystalline PERC/ Thin-Film Cd Te) or we can submit for any one or two technology.	Proposals for one or more technologies may be submitted in the Format provided in Annexure III - EoI Submission Format
2	Also in EOI the Wp rating range of modules not given kindly confirm the same for each technology.	The prospective bidder may submit proposals for Wattage ratings subject to meeting the minimum Module Efficiency Criteria specified in the Technical Specifications
3	We just need the clarification about the MNRE ALMM registration, that we will be able to do in April end, So can we fill this tender on basis BIS Acknowledgement?	Registration in the ALMM List is required at the time of Bid submission when SECI calls for tender. At this stage, prospective bidder may submit expression of interest with the disclosure that ALMM registration is pending.
4	In the EOI document it is mentioned that we need to provide PV Cells and Modules manufacturing details. We will be starting our PV Module manufacturing within two months. Here we wanted to ask that we are PV Module manufacturers but we do not manufacture PV Cells. Can we participate in this EOI?? Kindly clarify the same	As per EoI, both cells and modules are required to be manufactured domestically (DCR). Hence, manufacturers may participate in the EoI as long as cells and modules are domestically produced
5	Can the response to EOI be submitted by the Holding Company / Affiliate / Group company of the Solar manufacturer having multiple manufacturing entities OR only manufacturer is allowed to submit the response to EOI.	Only Manufacturers are allowed to submit response to the EoI
6	As we understand, only EoI Submission Format (Annexure-I) is to be submitted now, while Photovoltaic Module GTP (Annexure IV) is to be submitted during bid submission i.e. during tender submission. Please clarify.	Yes. Annexure IV need only be filled and submitted during bid submission. Annexure I should be filled and submitted as response to EoI
7	The EoI document refers delivery period as FY 2023-24 at one place and Q3 2023, Q4-2023 at another place. Please clarify the delivery period.	Delivery period shall be Q3 and Q4 of FY 2023-24
8	EoI asks the bidder to quote Ex-works price/Wp of module on firm/tentative basis with Yes/No option. Please clarify the use of Yes/No option.	Kindly mark Yes/No to specify if the quoted ex-works price/Wp is firm/tentative
9	Please clarify if the quoted price would be including or excluding taxes.	Quoted price excludes GST
10	As per our understanding only below document have to submit with EOI along with supporting documents. Request you to please confirm. <b>Annexure III: EoI Submission Format (Bidder Company Details)</b>	Confirmed
