

Tender for the Selection of Agency to Carry Out Aerial Topography Survey at the UT of Ladakh						
Tender No.: SEC/C&P/IPP/17/0002/22-23						
Sl. No.	Tender Section	Page No.	Clause No	Description as per Tender Document	Queries	Category (Finance/Technical/Contractual)
1	Section-II	13	2.2	Supply of hardware & software required for processing the gathered data in a scientific way to generate the reports in standard forms & formats, prepare 2D maps & 3D models.	Kindly consider Supply the Subscription of Cloud base application having features to show deliverables reports in standard forms & formats, 2D maps & 3D Models including digital repository . Application should have analytics features like 2D(Orthomosaic) & 3D(Point Cloud) measurement on point cloud data, cloud-based reporting in place of "Supply of hardware & software required for processing the gathered data in a scientific way to generate the reports in standard forms & formats, prepare 2D maps & 3D models".	Technical
						The bidder may deliver the digital map through an authorised cloud sharing platform. The owner shall thereafter be able to carry out additional work on the same like extracting certain sets of information in a set format or superimposing other data on the delivered digital map. This can be done as 2D or 3D models. The bidder needs to deliver to the owner, the required software/application tool and hardware (other than standard desktop/computers) required to perform the said operation by the owner.
2	Section-V	63	1.2.4	The Bidder should have rendered satisfactory services and successfully executed contracts of "Similar Works" in any of the last 07 (Seven) years. "Similar Works" means the services rendered as service provider for Ariel Survey/Topography Survey to the Govt. / Autonomous Bodies / PSUs/ JVCs of PSUs/Private organizations /Companies / Institutes/ MNCs. (Document Required: Proof of documentation conforming above experience details/Client work order/LOI/PO/Recommendation letter/ Successful Order execution confirmation from client side)	(i) For proof of experience, we have completed 50% of similar work and the rest is on-going, however we are qualifying with that 50% work credential so shall we submit the proof of the same in form of GST payment and affidavit on company's letterhead. (ii) In case of submitting WO from Private organizations, kindly add the clause of submitting the proof of payment of GST along with Work order & Completion Certificate as anybody can submit completion certificate of their own	Contracts
						1. In case of a 'single' order with large and comprehensive SoW to be done under this single order, wherein a part of such order has been completed, then the part so completed can be accepted as "similar works" provided the part meets the criteria of similar works as specified and a completion/acceptance certificate is provided by the client. 2. In case of submitting Work Order from private organisation, the bidder needs to submit the proof of payment of GST along with work order & completion certificate.
3	Section-V	63	1.3.1	The Minimum Average Annual Turnover (MAAT) of the bidder in the last three financial years (i.e., FY 2019-20, 2020-21 & 2021-22) should be INR 60,00,000 (Indian Rupees Sixty Lakhs only).	The Minimum Average Annual Turnover (MAAT) as asked is quiet low as compared to the actual value of the tender. And as per CVC guidelines, MAAT should be at least 1.5 times of the Tender value (i.e., Rs.1.5 Cr x 1.5). However, the value of work experience asked in the tender is high (i.e., 1.2 Cr) as compared to Minimum average annual Turnover(i.e., Rs.60 lakhs) So, we request you to either reduce the value of work experience or increase the value of MAAT accodging to value of tender.	Contracts
						1. As per the CVC guidelines, the Minimum Annual Average turnover should be 30 % of the project value and accordingly it is maintained. 2. Terms and conditions of RfS prevail.
