

Sh. Sanjay Sharma is an accomplished professional with around 36 years of experience. He is B.Tech. (Hons), MBA, Certified Energy Auditor & Certified Project Manager. He is having expertise across the managerial, technical, contractual, commercial, legal, and regulatory facets of the Power Sector. His career has been marked by significant contributions to transmission, generation, and scheme implementation. He joined SECI in Sept 2015 from **Power Grid Corporation of India Limited (POWERGRID)** and has been appointed to the Board of Directors of SECI as Director (Solar) on 28.03.2022 where he **continues to drive innovation and growth** in Renewable Energy initiatives including Green Hydrogen Economy.

Having dedicated **around 36 years to the power sector**, his journey has spanned various roles, including leadership positions where he has engaged in commercial and contractual, project management, engineering, and operational matters. His focused and systematic approach has enabled navigating the complexities of **Acts, Rules, Regulations, Policy, Codes, Guidelines, and Agreements while fostering relationships with key stakeholders such as Statutory Bodies, Ministries, Discoms, Investors & Developers**. This collaborative approach has been pivotal in **channeling an investment of approx. INR 2.70 Lac crores in India's Renewable Energy sector in last 5-6 years**. He continues to work for the development of the RE Sector in the Country.
