

## Press Release

### RE INVEST 2024: CMD SECI shares insights on India's Pathway to Net Zero Emissions

Shri R P Gupta, CMD (SECI) attended the 4th Global Renewable Energy Investors Meet & Expo (RE-INVEST 2024) which was organised by the Ministry of New and Renewable Energy (MNRE) from 16th to 18th September 2024 at Gandhinagar, Gujarat.

The event was inaugurated by Hon'ble Prime Minister, Shri Narendra Modi and the valedictory session was presided over by the Hon'ble Vice President, Shri Jagdeep Dhankhar.

During the event, CMD, SECI shared his insights on India's Pathway to Net Zero Emissions and highlighted SECI's role in streamlining the transition towards renewables to address the growing energy demand through innovative tenders and strengthen the RE supply chain.

CMD, SECI also drew attention to the importance of international collaboration and remarked that India, as a country has been open to collaboration in sharing

technology for expansion and adoption of RE. To fulfil the global vision of achieving net zero, collaborative efforts are key for a smooth transition to RE and enable a greener future.

Solar Energy Corporation of India (SECI) Ltd is the leading CPSU dedicated to the development and expansion of Renewable Energy (RE) capacity in India. As a step towards achieving national and international commitments, SECI is the foremost Renewable Energy Implementing Agency (REIA) of the Government which is continuously working towards sustainable development.
