STAKEHOLDER CONSULTATION MEETING ON SECI CANTEEN SERVICES

1. Solar Energy Corporation of India Limited (SECI) is in the process of initiating a tender for canteen services at its Corporate Office. To ensure that the upcoming tender reflects practical requirements and industry practices, SECI is organizing a Stakeholder Consultation Meeting with prospective vendors and service providers.
2. The objective of the meeting is to exchange views on service expectations, operational aspects, and quality standards of canteen facilities, and to gather inputs that may be considered while finalizing the tender scope.
3. Interested vendors are invited to attend and share their suggestions.
