

SOLAR ENERGY CORPORATION OF INDIA LIMITED

Stakeholders' Meeting: Tariff based competitive bidding for Pumped Storage Plant Projects in India

Solar Energy Corporation of India Limited (SECI) intends to issue the tender for procuring RE Power from Standalone Pumped Storage Plant Projects for supply of peak power to Buying Entities in India. This being a first-of-its kind tender being issued under the Standard Bidding Guidelines for procurement of storage capacity from Pumped Storage Plants dated 6th February, 2025, a detailed discussion is envisaged on the proposed tender structure, technical and commercial provisions, and to seek suggestions from industry participants for ensuring an efficient bidding framework.

In view of the above, a stakeholders' meeting has been organized by SECI with all the concerned stakeholders to deliberate on the above aspects. Accordingly, interested stakeholders are hereby invited for the **Stakeholders' Meeting** on the proposed **tender for setting up of Standalone Pumped Storage Plant (PSP) projects** in India under tariff based competitive bidding.

Meeting Details:

- **Date & Time:** 25th November 2025 (02:30 PM)
- **Mode of meeting:** Hybrid Mode (Online-Offline mode)
- **Venue:** SECI Office- "Board Room", 1st Floor, Plate B, NBCC Office Block-4, East Kidwai Nagar, New Delhi-110023
