WHEREAS:

- A. The Union Cabinet has approved the National Green Hydrogen Mission with an outlay of Rs. 19,744 Crore up to 2029-30. The Strategic Interventions for Green Hydrogen Transition (SIGHT) program is a major financial measure under the Mission, with an outlay of Rs. 17,490 Crore.
- B. The Ministry of New and Renewable Energy, Government of India has issued the Scheme Guidelines for implementation of Strategic Interventions for Green Hydrogen Transition (SIGHT) Programme – Component II: Incentive for Procurement of Green Ammonia Production (under Mode-2A) of the National Green Hydrogen Mission vide OM No. 353/2/2024-NT dated 16.01.2024 and Model Bidding Guidelines for procurement of Green Ammonia (GA) dated 26.03.2024, including subsequent amendments and clarifications thereof, if any, issued until ____ [Enter the last date of bid submission of the RfS].
- C. SECI has been designated as an Implementing Agency for developing and facilitating the establishment of the Green Ammonia Production Projects in India in terms of the above Guidelines of the Government of India.
- D. SECI had initiated a Cost Based Competitive Bidding Process for procurement of 54,000

MT/annum of Green Ammonia produced from the Green Ammonia Production Project on the terms and conditions contained in the Request for Selection (herein after referred to as 'RFS' issued by SECI vide RfS No..... dated... ..).

- E.**[Insert Name of the GAP]** has been declared as a successful bidder in the Competitive Bidding Process for Production and Supply of Green Ammonia from theMT/annum of Green Ammonia Production Facility to be established by GAP anywhere in India and for supply of such Green Ammonia by GAP at the delivery point of the Procurer [as defined], wherein, SECI will be acting as an Intermediary Agency under a Green Ammonia Sale Agreement to be entered into between SECI and such Procurer as per terms and conditions of RfS.
- F. SECI has issued the Letter of Award No..... dated.....in favour of the GAP for development and establishment of theMT/annum of Green Ammonia Production Facility in the State of..... as per the terms and conditions contained in the RfS, draft of this Green Ammonia Purchase Agreement circulated at the time of the bidding and other bidding documents as well as the conditions contained in the aforementioned Letter of Award.
- G. SECI has agreed to purchase such Green Ammonia from the GAP as an Intermediary Procurer on back-to-back basis, wherein, physical delivery of Green Ammonia to Procurer will be in scope of GAP as per the provisions of the RfS. Accordingly, SECI has signed a Green Ammonia Sale Agreement with the Procurer to sell such Green Ammonia as per the provisions of the above-mentioned scheme.
- H. In terms of the RfS and the Bidding Documents, the GAP has furnished the Performance Bank Guarantee/ Payment on Order Instrument in the sum of INR in favour of SECI as per the format provided as a part of the Bidding Documents and a copy of the Bank Guarantee/ Payment on Order Instrument provided is in Schedule – 1/ Schedule - 2 to this Agreement.
- I. The GAP has fulfilled the terms of the bidding and the terms of the Letter of Award for signing this Green Ammonia Purchase Agreement as a definitive Agreement for establishing the Green Ammonia Production Project of.....MT/annum at, [Insert Project location] for production and supply of Green Ammonia by the GAP till the Delivery Point of Procurer.
- J. The parties have agreed to execute this Green Ammonia Purchase Agreement in terms of the provisions of the RfS, the bidding documents and the Letter of Award in regard to the terms and conditions for establishment of the Green Ammonia Project at, [Insert

name of state] and for production and supply of Green Ammonia by GAP to SECI.

- K.(Insert name of the Procurer), a Company incorporated under the Companies Act, 1956/2013, having its registered office at _____(insert address of registered office of the Procurer) has agreed to sign GASA Agreement in the capacity as a Confirming Party to this Agreement.
- L. Department of Fertilizer had provided a Standard Operating Procedure for disbursement of differential subsidy for Green Ammonia vide SOP-GA-25.03.2026.pdf (Schedule-6) which shall be treated as an integral part of this agreement and same to be read harmoniously with RfS, GAPA and GASA.

Now therefore, in consideration of the premises and mutual agreements, covenants and conditions set forth herein, it is hereby agreed by and between the Parties as follows:

However, in case of any mismatch/contradiction between provisions of different documents, following shall be the order of precedence:
- i. Department of Fertilizer’s Standard Operating Procedure for disbursement of differential subsidy for Green Ammonia vide SOP-GA-25.03.2026.pdf (Schedule-6)
 - ii. Green Ammonia Purchase Agreement read with Green Ammonia Sale Agreement
 - iii. RfS Documents

ARTICLE 2.: TERM OF AGREEMENT

2.1 Effective Date

2.1.1 This Agreement shall come into effect from (Enter the date) and such date shall be referred to as the Effective Date.

2.2 Term of Agreement

2.2.1 Subject to Article 2.3 and 2.4 of this Agreement, this Agreement shall be valid for a term from the Effective Date until the Expiry Date. This Agreement may be extended beyond the Term as per Article 2.2, for an additional period upto 10 years, or more, based on mutually agreed terms and conditions. During the extended Term, the Price of Green Ammonia Supply may be mutually agreed upon, taking into cognizance the market price/discovered price of Green Ammonia at the end of the original Term.

2.2.2 The GAP is free to operate their plants beyond the Expiry Date if other conditions like land lease / Right to Use of Land (as applicable), permits, approvals and clearances etc. allow. In such case unless otherwise agreed by the SECI/Procurer, SECI/Procurer (as the case may be) shall not be obligated to procure Green Ammonia beyond the Expiry Date.

2.3 Early Termination

2.3.1 This Agreement shall terminate before the Expiry Date if either SECI or GAP terminates the Agreement, pursuant to Article 14 of this Agreement.

2.4 Survival

2.4.1 The expiry or termination of this Agreement shall not affect any accrued rights, obligations and liabilities of the Parties under this Agreement, including the right to receive penalty as per the terms of this Agreement, nor shall it affect the survival of any continuing obligations for which this Agreement provides, either expressly or by necessary implication, which are to survive after the Expiry Date or termination including those under Article 12 (Force Majeure), Article 14 (Events of Default and Termination), Article 15 (Liability and Indemnification), Article 17 (Governing Law and Dispute Resolution), Article 18 (Miscellaneous Provisions), and other Articles and Schedules of this Agreement which expressly or by their nature survive the Term or termination of this Agreement shall continue and survive any expiry or termination of this Agreement.

ARTICLE 3.: INSTALLED CAPACITY, PERFORMANCE SECURITY AND FINANCIAL CLOSURE

3.1 Installed Capacity

3.1.1 The GAP shall configure the project with the objective of supplying Green Ammonia to the Procurer through SECI. Accordingly, the Project Capacity, i.e. the Installed Capacity under this Agreement, shall mean the rated production capacity of the Green Ammonia Project i.e., MT/annum.

3.2 Performance Bank Guarantee/ Payment on Order Instrument/ Insurance Surety Bond

3.2.1 The Performance Bank Guarantee (PBG)/ Payment on Order Instrument (POI)/ Insurance Surety Bond (Surety Bond) having validity from the date of submission of PBG/POI/Surety Bond until.....(insert validity period as per RfS conditions), submitted for a value of Rs. _____(in words) under this Agreement, shall be for guaranteeing the commencement of the supply of Green Ammonia up to the Contracted Capacity within the time specified in this Agreement as per format provided in Schedule 1/2.

3.2.2 The failure on the part of the GAP to furnish and maintain the Performance Bank Guarantee/ POI shall be a material breach of the term of this Agreement on the part of the GAP.

3.2.3 If the GAP fails to commence supply of Green Ammonia from SCSD specified in this Agreement or any further extension thereof granted by SECI, subject to conditions mentioned in Article 4.5, SECI shall encash the Performance Bank Guarantee/ POI/Insurance Surety Bond equivalent to the amount calculated as per the penalty applicable under Article 4.6 as on the date of encashment without prejudice to the other rights of SECI under this Agreement.

3.3 Return of Performance Bank Guarantee/ Payment on Order Instrument

3.3.1 Subject to Article 3.2, SECI shall return / release the Performance Bank Guarantee/ Payment on Order Instrument immediately after the successful commencement of Green Ammonia supply from the Project after taking into account any liquidated damages / penalties due to delays in commencement of Green Ammonia supply beyond SCSD as per provisions stipulated in this Agreement.

3.3.2 The return / release of the Performance Bank Guarantee/ Payment on Order Instrument shall be without prejudice to other rights of SECI under this Agreement.

3.4 Financial Closure

3.4.1 The Project shall achieve Financial Closure by the date as on 12 months from the Effective Date of the GAPA. (For e.g. if Effective Date of GAPA is 20.07.2026, then scheduled Financial Closure date shall be 20.07.2027).

3.4.2 At the stage of Financial Closure, the GAP shall report 100% tie-up of Financing Arrangements for the Project. In this regard, the GAP shall submit a certificate/necessary documents from all financing agencies regarding the tie-up of 100% of the funds indicated for the Project, including arrangements of funds in the form of Equity. The GAP shall also submit details of all planned/ proposed type and technology of the Electrolyser (manufacturer, model number, datasheet) and other equipment, along with necessary purchase order/agreements for the Project.

In addition to the above, the GAP shall also meet the following criteria as part of compliance with the Financial Closure requirements:

- (i) Submission of final approval of connectivity by the CTU/STU/DISCOM as well as drawl (GNA) of Power for operation of Green Ammonia Plant for the corresponding RE project.
- (ii) Submission of registered sale deed/lease agreements/documents to demonstrate possession/right to use of 100% of the identified land area for the Project.

3.4.3 In case of default in achieving above condition as may be applicable within the stipulated time, SECI shall be entitled to encash PBG/POI/Surety Bond and may remove the Project from the list of the selected Projects. An extension may however be considered, on the sole request of GAP, on advance payment of extension charges of INR 500/- per day per Thousand Metric Ton (of awarded capacity) + applicable GST. This extension will not have an impact on the obligation of GAP to commence supply of Green Ammonia by the Scheduled Commencement of Supply Date (SCSD) of the Project. Subsequent to the completion of deadline for achieving financial closure, SECI shall issue notices to the GAP who are not meeting the requirements of Financial Closure as per the RfS deadlines. The notice shall provide a period of 7 business days to the GAP to either furnish the necessary documents or make the above-mentioned payment of Rs. 500/TMT/day + GST. In case of non-submission of either-the requisite documents or the necessary amount upon expiry of the above-mentioned notice period of 7 days, SECI shall encash the PBG/POI/Surety Bond of the GAP and may terminate the GAPA for the corresponding Project. The amount of Rs. 500/TMT/day + GST shall be paid by the GAP in advance prior to the commencement of the said delay period and shall be calculated based on the period of delay as estimated by the GAP. In case of the

GAP meeting the requirements of Financial Closure before the last date of such proposed delay period (for which extension charges have been paid), the remaining amount out of the deposited amount by the GAP shall be returned by SECI. Interest on account of delay in deposition of the above-mentioned charges or on any subsequent extension sought, shall be levied @ one-year SBI MCLR rate /annum on pro-rata basis. Any extension charges paid so, shall be returned to the GAP without any interest and GST amount on achievement of successful commencement of Green Ammonia supply within the Scheduled Commencement of Supply Date (SCSD), on pro-rata basis, based on the awarded capacity that has commenced supply of Green Ammonia as on SCSD. In other cases, the extension charges as collected under this provision, will be credited to the Payment Security Fund, if instituted, or shall be set aside in separate account by SECI to ensure timely payments to the GAP.

- 3.4.4 The GAP will have to submit the required documents to SECI at least 14 days prior to the scheduled Financial Closure date. In case of delay in submission of documents mentioned above, SECI shall not be liable for delay in verification of documents and subsequent delay in Financial Closure.

ARTICLE 4.: CONSTRUCTION & DEVELOPMENT OF THE PROJECT

4.1 GAP's Obligations

4.1.1 The GAP undertakes to be responsible, at GAP's own cost and risk, for the following:

- a) The GAP shall be solely responsible and make arrangements for Land & associated infrastructure for development of the Project for confirming the availability of Green Ammonia system required for supply of Green Ammonia by the SCSD and all clearances related thereto.
- b) The GAP shall submit registered sale deed/lease agreement/ documents to establish possession/right to use for 100% of the required land (i.e., for Green Ammonia plant excluding RE plant) in the name of GAP for a period not less than the term of GAPA, within the deadline of compliance with Financial Closure conditions as per Article 3.4.1 of this Agreement. Wherever leasing of land is involved, the lease should allow transfer of land lease rights to the lenders or procurer, in case of default by GAP.
- c) The GAP shall submit within the deadline of compliance with Financial Closure conditions, a letter from State Transmission Utility (STU)/ Central Transmission Utility (CTU)/ Appropriate Authority as applicable, confirming technical feasibility of connectivity/GNA of Green Ammonia Plant to STU/CTU substation, if required.
- d) In case of default in achieving above condition as may be applicable within the stipulated time, SECI shall be entitled to encash PBG/POI/Surety Bond and may remove the Project from the list of the selected Projects. An extension may however be considered, on the sole request of GAP, on advance payment of extension charges to SECI as given below:
 - i. In case of delay in establishing possession/right to use for 100% of required land and/or delay in compliance with requirements under Clause c above, the same shall be considered as non-compliance of Financial Closure and the provisions of Article 3.4 shall be applicable.
 - ii. Subsequent to the completion of above deadlines, SECI shall issue notice to the GAP who is not meeting the above requirements. The notice shall provide a period of 7 business days to the GAP to either furnish the necessary documents or make the above-mentioned payment. In case of non-submission of either-the requisite documents or the necessary amount upon expiry of the above-mentioned notice period of 7 days, SECI shall encash the PBG/POI/Surety Bond of the GAP and may terminate the GAPA for the corresponding Project. The above mentioned amount shall be paid by the GAP in advance prior to the commencement of the said delay period and shall be calculated based on the period of delay as estimated by the GAP.

In case of the GAP meeting the above requirements before the last date of such

proposed delay period (for which extension charges have been paid), the remaining amount out of the deposited amount by the GAP shall be returned by SECI. Interest on account of delay in deposition of the above-mentioned charges or on any subsequent extension sought, shall be levied @ one-year SBI MCLR rate /annum on pro-rata basis. Any extension charges paid so, shall be returned to the GAP without any interest and GST amount on achievement of successful commencement of Green Ammonia supply within the Scheduled Commencement of Supply Date (SCSD), on pro-rata basis, based on the awarded capacity that has commenced supply of Green Ammonia as on SCSD. In other cases, the extension charges as collected under this provision, will be credited to the Payment Security Fund, if instituted, or shall be set aside in separate account by SECI to ensure timely payments to the GAP.

- e) In addition to submission of lease agreement/ right to use for land, following approvals/NOCs/clearance shall be submitted by GAP prior to SCSD:
 - i. No Objection Certificate (NOC)/ Environmental Clearance for the project if applicable.
 - ii. Forest Clearance for the land for the project, if applicable.
 - iii. Approval for supply water from the concerned authority (if applicable) required for the project.
 - iv. Any other clearances (if any), as may be legally required.
- f) Obtaining all Consents, Clearances and Permits as required and maintaining all Consents, Clearances and Permits in full force and effect during the Term of this Agreement. SECI shall have no obligation to recommend to any department/agency or the Government for the grant/permission for the Green Ammonia project. The Green Ammonia Producer shall, on his own, obtain permissions/ sanctions from Government authorities, if any required for establishing the project. Any steps that may be taken by SECI in regard to grant of such consents and permits or any other approval to be taken by the GAP shall only be a voluntary endeavor with no intention of being bound by any legal or binding obligation.
- g) Designing, Constructing, Erecting, Commissioning, Completing and Testing the Green Ammonia Project in accordance with the applicable Law, the terms and conditions of this Agreement and Prudent Industry Practices. GAP should also comply with Industrial & applicable labor laws.
- h) The GAP shall make adequate arrangements to ensure supply of Green Ammonia up to the Metering / Delivery Point prior to SCSD. Commencement of supply of Green Ammonia up to the Contracted Capacity to Procurer no later than the SCSD and

continuance of the supply of Green Ammonia in line with the supply schedule stipulated by the Procurer as per Schedule-4 of this Agreement throughout the term of the Agreement;

- i) Owning the Green Ammonia Project free and clear of encumbrances, except those expressly permitted under Article 16, throughout the Term of Agreement.
- j) Maintaining minimum 51% shareholding prevalent at the time of signing of GAPA up to a period of three (3) years after the SCSD in line with Clause 22 of the RfS
- k) Fulfilling all obligations undertaken by the GAP under this Agreement and also as per the terms of the RfS.
- l) The GAP shall be responsible for directly coordinating and dealing with the corresponding Procurer and other authorities in all respects in regard to declaration of availability, scheduling and supply of Green Ammonia in respect of the Green Ammonia contracted under this Agreement.
- m) It shall be the responsibility of GAP to necessary arrangement the renewable energy required for production and supply of Green Ammonia as per the Supply Schedule, in line with Article 4.2A of this Agreement.
- n) Carbon Credits: SECI shall be eligible for ownership of Carbon Credits (under the Carbon Credit Trading Scheme, 2023 notified by Ministry of Power, including any subsequent amendments and clarifications thereof,) generated from the Green Ammonia Projects under this Scheme. GAP shall make all the necessary arrangements and modifications, as required, for SECI to utilize/trade Carbon Credits generated from the Projects, if any. The detailed methodology in this regard will be issued in due course.
- o) Water sourcing guidelines: Appropriate clearances, including environmental clearances with respect to meeting the requirement of water for production of GA, shall also be taken by the GAP in accordance with the applicable policies/law.
- p) It may be noted that the respective extension charges mentioned in this GAPA are to be paid separately for each extension sought by the GAP. Any extension charges paid so, shall be returned to the GAP without any interest and GST amount on achievement of successful commencement of Green Ammonia supply within the Scheduled Commencement of Supply Date (SCSD), on pro-rata basis, based on the awarded capacity that has commenced supply of Green Ammonia as on SCSD. In other cases, the extension charges as collected under this provision, will be credited to the Payment Security Fund, if instituted, or shall be set aside in separate account by SECI to ensure timely payments to the GAP.

4.2 Information regarding Interconnection Facilities

- 4.2.1 The GAP shall be required to obtain all information from the concerned authority with regard to the Delivery Point as is reasonably necessary to enable it to design, install and operate all interconnection facility and apparatus on the GAP's side of the Delivery Point to enable delivery of Green Ammonia at the Delivery Point. The supply of Green Ammonia up to the Delivery point where the metering is done for quantity and quality accounting shall be the sole responsibility of the GAP.
- 4.2.2 Penalties, fines and charges, etc. imposed by any concerned authority under any statute or guidelines in relation to delay in commissioning of the Project shall be entirely dealt by the GAP and any such amounts claimed by such agency(ies) shall be payable by the GAP.
- 4.2.3 The responsibility of getting connectivity/General Network Access/Open Access with the transmission system up to the Green Ammonia Project for consumption of renewable energy for production of Green Ammonia, will lie with the GAP. The maintenance of supply system up to the Delivery Point as per the applicable terms and conditions shall be the sole responsibility of the GAP. All costs and charges including but not limited to losses up to and including at the Delivery Point associated with this arrangement will also be borne by the GAP.
- 4.2.4 The arrangement of connectivity/GNA/Open Access for drawl of power for the Project shall be made by the GAP as per the applicable regulations. The entire cost of transmission including cost of construction of line, if any, and any other charges, losses etc. from the corresponding RE project up to the GA Project shall be borne by the GAP. In case of non- availability of Grid and Transmission System during Term of this Agreement, GAP at its own risk and cost shall make alternate arrangements for RE power to meet the supply schedule of the Procurer.

4.2A. Renewable Energy Requirement of the GA Project

- a. Under this Agreement, Green Ammonia shall be produced using renewable energy (RE). Such RE may be procured by the GAP from a co-located RE project(s), or sourced from a remotely located RE plant(s), whether set up by the GAP, or by any third-party. RE may also be procured by the GAP from power exchange.
- b. Such renewable energy (RE) generation project(s) supplying RE to the Green Ammonia Project shall be referred to as “corresponding Renewable Energy (RE) project(s)” under this Agreement.
- c. The GAP may either have its own corresponding RE project, or may buy RE power for (Insert Project ID)

- meeting the power requirement for the GA Project or it may use a mix of both options.
- d. In case of sourcing power under a PPA, the GAP shall submit the PPA to SECI within 6 months from Effective Date of GAPA. Subsequently, the GAP shall submit the final approval of connectivity by the CTU/STU/DISCOM for the corresponding RE project within the deadline of compliance with Financial Closure as per Article 3.4.1 of this Agreement. In case of the GAP procuring power through captive RE project(s), it shall intimate the RE capacity, configuration and location of the corresponding RE project within 6 months after the Effective Date of GAPA. Further to this, it shall submit the final approval of connectivity by the CTU/STU/DISCOM for the corresponding RE project, within 12 months after Effective Date of GAPA. In all these cases, the start date of connectivity and GNA/drawl permission as part of the final approval originally intimated by the CTU/STU/DISCOM should be prior to the SCSD of Green Ammonia Project.
 - e. In case the GAP submits the final approval of connectivity/GNA/Drawl Permission within the timeline stipulated at Sl. (d) above, delay in start date of connectivity beyond the SCSD of the GA Project shall result in suitable extension of the SCSD, i.e., the SCSD shall be revised as on the date 60 days after the start date of connectivity.
 - f. In case of delay in submission of final approval of connectivity beyond the deadline as per Sl. (d) above, no extension in SCSD shall be granted on the account of delay in start date of connectivity.
 - g. With respect to the power requirement which the GAP plans to meet through its own (including its Affiliates') RE project(s), it shall demonstrate readiness of the corresponding RE project to supply power at least 1 month prior to SCSD. Original start date of connectivity granted to the corresponding RE project for such renewable energy plant shall be the date as on at least 1 month prior to the SCSD of the GA Project. In case of early commissioning of RE Plant, GAP shall not be obligated to seek NOC to sell such power in exchange or to any other party till SCSD.
 - h. With respect to the power requirement which the GAP plans to meet through a Power Purchase Agreement (PPA) with a 'Third Party', the GAP shall submit a PPA executed with such 'Third Party' corresponding to the required power for operation of the GA Project within 6 months after Effective Date of the GAPA. In this case also, the GAP shall demonstrate the readiness of the corresponding RE project at least 1 month prior to SCSD of the GA Project. The corresponding RE project should be ready for supply of required power before the SCSD of the GA Project. In case of early commissioning of RE Plant, the RE Project Developer/GAP shall not be obligated to seek NOC to sell such power in exchange or to any other party till SCSD.

- i. In case of default in achieving the condition within the stipulated time as per Sl. (g) and (h) above, SECI shall be entitled to encash PBG/POI/Surety Bond and may remove the Project from the list of the selected Projects. An extension may however be considered, on the sole request of GAP, on advance payment of extension charges of INR 50/- per day per Thousand Metric Ton (of awarded capacity) + applicable GST. This extension will not have an impact on the obligation of GAP to commence supply of Green Ammonia by the Scheduled Commencement of Supply Date (SCSD) of the Project. Interest on account of delay in deposition of the abovementioned charges or on any subsequent extension sought, shall be levied @ one-year SBI MCLR rate /annum on pro-rata basis. Any extension charges paid so, shall be returned to the GAP without any interest and GST amount on achievement of successful commencement of Green Ammonia supply within the Scheduled Commencement of Supply Date (SCSD), on pro-rata basis, based on the awarded capacity that has commenced supply of Green Ammonia as on SCSD. In other cases, the extension charges as collected under this provision, will be credited to the Payment Security Fund, if instituted, or shall be set aside in separate account by SECI to ensure timely payments to the GAP.

4.3 Purchase and sale of Green Ammonia within the Contracted Capacity

- 4.3.1 Subject to the terms and conditions of this Agreement, the GAP undertakes to sell Green Ammonia to Procurer through SECI and SECI undertakes to pay Price of Supply for all such Green Ammonia supplied at the Delivery Point and accepted by the Procurer corresponding to the Contracted Capacity and schedule of supply.
- 4.3.2 Green Ammonia procured from the Project under this Agreement shall on back-to-back basis and will be allocated to corresponding Procurer which have signed their respective Green Ammonia Sale Agreement with SECI under the referred RfS.

4.4 Right to Contracted Capacity

- 4.4.1 The Supply of Green Ammonia shall be in no case less than 90 percent of the Scheduled Supply (Monthly/Periodic) within a Contract Year as agreed under GAPA. Subsequent to commencement of Green Ammonia supply from the Project, SECI, in any Contract Year, shall not be obliged to purchase any additional quantity from the GAP beyond ... Metric Tonnes (MT) [Insert value of Green Ammonia corresponding to 100% of the contracted capacity for the Project]. If for any period of Scheduled Supply, it is found that the GAP has not been able to supply minimum quantity of 90% of Scheduled Supply as agreed under GAPA i.e.....Metric tonnes (MT)/____ [Insert

values corresponding to 90% of the Scheduled Supply for the period under GAPA] on account of reasons solely attributable to the GAP, the GAP shall be liable to pay the compensation to SECI to enable SECI to remit such compensation to the Procurer (s). The amount of such compensation will be calculated @ 100% (one hundred per cent) of the GAPA Price of Supply for the shortfall in quantity terms, which in turn, shall be remitted to the Procurer. The compensation as per above shall be applied on the amount of shortfall in supply from the Project during any period of Scheduled Supply. This compensation shall not be applicable in events of Force Majeure identified under this Agreement, affecting supply of Green Ammonia by GAP. The lower limit of supply i.e., 90% of the Scheduled Supply quantity will, however, be relaxable by SECI to the extent of Force Majeure which is beyond the control of the GAP.

The GAP is allowed to meet maximum 10% of the committed annual Green Ammonia Supply quantum through third party/other sources subject to the condition that the Green Ammonia supplied through this route meets the Green Ammonia criteria as prescribed/defined under the NGHM and the Green Ammonia Certification has been obtained by GAP for such supplied quantum. In case the GAP intimates the Procurer regarding shortfall in the forthcoming Supply Schedule (for e.g. next quarter in case of quarterly Supply Schedule) and the Procurer is able to procure the shortfall quantity of Green Ammonia/Ammonia from any other source in the corresponding Supply Schedule, then the GAP is liable to compensate the Procurer the Price differential. Illustration: Suppose the Price of Supply of Green Ammonia is Rs. 50/kg, the Supply Schedule is quarterly and GAP has intimated Procurer and SECI on 1st June 2028 that there will be a shortfall of 'X' MT (i.e. shortfall beyond the allowed limit of 10%) of Green Ammonia in the next quarter i.e from 1st July 2028 to 30th September 2028. Subsequently the Procurer is able to procure the 'X' MT of Ammonia from open market in the same quarter i.e. 1st July 2028 to 30th September 2028. Then the compensation to be paid by the GAP shall be as follows:

- a. In case the Procurer procures the Ammonia/Green Ammonia at Rs. 60/kg from open market then GAP is liable to pay compensation @ Rs.10 per kg (60-50).
- b. In case the Procurer procures the Ammonia/Green Ammonia at Rs. 40/kg from the open market then GAP is liable to pay compensation @ Rs.10 per kg (50-40).

The maximum price at which the ammonia is procured shall be considered for the above calculation. Further, in case the Procurer has not procured such shortfall quantum of Ammonia/Green Ammonia during such period then GAP is not liable to pay any compensation to Procurer. The Procurer shall be eligible for payment from the GAP,

corresponding to the reduced supply of Green Ammonia as per aforementioned methodology. The amount shall be adjusted through supplementary bill in the successive Month of supply schedule. No Trading Margin shall be applicable on this Payment.

- 4.4.2 Any excess production over and above as per Article 4.4.1, may be purchased by Procurer through SECI at the Price of Supply, provided the Procurer consents to purchase such Green Ammonia. The GAP shall be required to intimate SECI about the proposed excess quantum of Green Ammonia likely to be produced from the Project within any supply period, at least 30 days prior to the proposed date of commencement of excess production. SECI shall be required to intimate its approval/refusal to the GAP, for buying such excess production not later than 15 days of receiving the above offer from the GAP. In the event the offer of the GAP is not accepted by SECI within the said period of 15 deviation days, such right shall cease to exist and the GAP shall, at its sole discretion, may sell such excess Green Ammonia to any third party. The responsibility of safe disposal of any surplus Green Ammonia lies with the GAP.
- 4.4.3 Any Green Ammonia produced and supplied before SCSD shall not be at the cost of SECI. SECI may agree to buy such Green Ammonia at a Price of Supply as agreed to between SECI and the Procurer (including SECI's trading margin), provided the Procurer's consent for purchase of such Green Ammonia.

4.5 Extensions of Time

- 4.5.1 In the event that the GAP is prevented from performing its obligations under Article 4.1 by the SCSD due to:
- a) any SECI/Procurer Event of Default; or
 - b) Force Majeure Events affecting SECI/ Procurer, or
 - c) Force Majeure Events affecting the GAP, or
 - d) Any directions from the MNRE with respect to extension of time.
- the SCSD and the Expiry Date shall be deferred, for a reasonable period but not less than 'day for day' basis, to permit the GAP or SECI/ Procurer through the use of due diligence, to overcome the effects of the Force Majeure Events affecting the GAP or SECI/Procurer, or till such time such Event of Default is rectified by SECI/Procurer.
- 4.5.2 In case of Force Majeure Events as specified in Article 4.5.1(b) and (c), continues even after a maximum period of nine (9) months from the date of the Force Majeure Notice, termination of this Agreement shall be caused solely at the discretion of SECI .
- 4.5.3 In reference to Article 4.5.1, if the Parties have not agreed, within thirty (30) days after the affected Party's performance has ceased to be affected by the relevant circumstance

under Article 4.5.1, on the time period by which the SCSD or the Expiry Date should be deferred/extended, either Party may raise the Dispute to be resolved in accordance with Article 17.

- 4.5.4 As a result of such extension on account of Article 4.5.1, the newly determined SCSD and newly determined Expiry Date shall be deemed to be the SCSD and the Expiry Date for the purposes of this Agreement.
- 4.5.5 Delay in commencement of supply of Green Ammonia from the project beyond the SCSD for reasons other than those specified in Article 4.5.1 shall be an event of default on part of the GAP and it shall be subjected to the consequences specified in the Article 4.6.
- 4.5.6 Notwithstanding anything contained in this Article, delay in start date of connectivity of the corresponding RE project shall also result in suitable extension in SCSD, if applicable in line with provisions of Article 4.2 A of this Agreement.

4.6 Penalty for delay in commencement of Green Ammonia Supply

- 4.6.1 The Project shall commence supply of Green Ammonia from the full Project Capacity within SCSD as defined in this Agreement. If the GAP is unable to commence Green Ammonia supply from the Project by the SCSD for the reasons other than those specified in Article 4.5.1 and 4.5.6, the GAP shall pay to SECI, penalty for the delay in such commencement of Green Ammonia supply and making the Contracted Capacity available for dispatch by the SCSD as per the following:
 - a. Delay beyond the SCSD upto (& including) the date as on 6 months after the SCSD or the extended SCSD, if applicable: The total PBG/POI/Surety Bond amount for the Project shall be encashed on per-day basis and proportionate to the balance capacity not commissioned/commenced supply of GA. For example, in case of a Project of 54,000 MT capacity, if commissioning of 5000 MT capacity is delayed by 18 days beyond the SCSD, then the penalty shall be: $\text{PBG amount} \times (5000/54,000) \times (18/180)$. For the purpose of calculations of penalty, 'month' shall be considered consisting of 30 days.
 - b. For avoidance of doubt it is clarified that provisions of Article 4.6.1 will be applicable even in cases where no capacity of Green Ammonia plant (i.e. 0 MT) has been completed by the GAP.
- 4.6.2 The maximum time period allowed for commencement of Green Ammonia supply from the full Project Capacity with encashment of Performance Bank Guarantee/ Payment on Order Instrument shall be limited to 12 months after the SCSD/extended SCSD of the

Project.

- a) In case of delay in commissioning of the project beyond the date as on 6 months from SCSD until the date as on 12 months from SCSD, as part of penalty, the Price of Supply of Green Ammonia (Rs./kg) shall be reduced @Rs. 0.02 per kg on per day basis and proportionate to the balance capacity not commissioned/commenced supply. For example, in case a Project of 20000 MT capacity has been allocated at a Price of Supply of Rs. 50 per kg, if commissioning of 5000 MT capacity is delayed by 20 days beyond the date as on 6 months after SCSD, then the revised Price of Supply of Green Ammonia (in Rs./kg) shall be: $50 - \{0.02 \times 20 \times (5000/20000)\}$. This penalty is over and above the penalty imposed as per Article 4.6.1 (a) above.
- b) For delay in commencement of Green Ammonia supply beyond the date as on 12 months from SCSD, the following shall be additionally applicable:
 - i. The awarded capacity shall stand reduced to the Project Capacity that has commenced supply of Green Ammonia until the date as per Article 4.6.2.a above, and GAPA for the balance awarded capacity will stand terminated.
 - ii. The price for GA supply for the finally accepted capacity as on the date as per Clause 4.6.2.b.i. shall be the weighted average of the prices of supply of Green Ammonia applicable for each of the part commissioned capacities and the same shall be applicable for the GA supply for the remaining term of GAPA. Illustration in this regard has been provided at Clause 9.5.d. of the RfS.

4.6.3 The GAP acknowledges and accept that the methodology specified herein above for calculation of penalty payable by the GAP is a genuine and accurate pre-estimation of the actual loss that will be suffered by SECI. GAP further acknowledges that a breach of any of the obligations contained herein result in injuries and that the amount of the penalty or the method of calculating the penalty specified in this Agreement is a genuine and reasonable pre-estimate of the damages that may be suffered by the SECI in each case specified under this Agreement.

Note: The penalty is levied on behalf of the Government of India to ensure that these Projects are not left incomplete or delayed for reasons which don't qualify for any extension of time. Therefore, SECI will be under no obligation to demonstrate any proof of loss on account of such delay or incompleteness /non-completion of the Project.

4.6.4 In case GAP is unable to commission the project till SCSD but is able to supply the contracted GA from any third party till the commissioning of the project then no penalty for delay in commissioning or reduction in Price of Supply shall be applicable on the GAP till 12 months from SCSD, provided that such Green Ammonia supplied should

have the required Green Ammonia Certification as per the MNRE Guidelines. It is expressly clarified that, in the above case also, if GAP fails to commission the project within twelve (12) months from the SCSD, then relevant provisions regarding penalties or delay and termination of capacity not commissioned, as outlined in clause 9.5 of the RfS, shall be applicable to GAP.

Note: GAP shall not be eligible for any Incentive for Green Ammonia supplied through third party.

- 4.6.5 In cases of delay in commissioning of the Project beyond SCSD on account of events not covered under Articles 4.5.1.a/b/c of the GAPA, and yet, being beyond reasonable control of the GAP, such matters will be referred to the Scheme Monitoring Committee constituted under the Scheme Guidelines, for necessary directions in cases seeking extension of SCSD up to 6 months. Cases seeking SCSD extension beyond 6 months, will be referred to the Dispute Resolution Committee constituted by MNRE. Such matters will be dealt on case-to-case basis, and decisions of the above Committees, duly recommended by the MNRE, will be final and binding on all parties concerned.

4.7 Acceptance/Performance Test

- 4.7.1 Prior to commissioning of the Green Ammonia Project, the GAP shall be required to get the Project certified for the requisite acceptance/performance test as may be laid down by an agency identified by the SECI/MNRE to carry out testing and certification for the Green Ammonia projects.

4.8 Third Party Verification

- 4.8.1 The GAP shall be further required to provide entry to the site of the Green Ammonia Project (from which Green Ammonia under this Agreement is being made available) free of all encumbrances at all times during the Term of the Agreement to SECI and a third Party nominated by any Indian Governmental Instrumentality for inspection and verification of the works being carried out by the GAP at the site of the Green Ammonia Project. The GAP shall provide full support to SECI and/or the third party in this regard.
- 4.8.2 The third party may verify the construction works/operation of the Green Ammonia Project being carried out by the GAP and if it is found that the construction works/operation of the Green Ammonia Project is not as per the Prudent Industry Practices, it may seek clarifications from GAP or require the works to be stopped or to comply with the instructions of such third party.

4.9 Breach of Obligations

4.9.1 The Parties herein agree that during the subsistence of this Agreement, subject to SECI being in compliance of its obligations & undertakings under this Agreement, the GAP would have no right to negotiate or enter into any dialogue with any third party for the sale of Contracted Capacity of Green Ammonia which is the subject matter of this Agreement. It is the specific understanding between the Parties that such bar will apply throughout the entire term of this Agreement.

4.10 Production compensation for Off-take constraints

4.10.1 Production Compensation in offtake constraints: During the operation of the plant, there can be some periods where the Project can produce Green Ammonia as per the defined requirement/Supply Schedule as per the RfS but due to procurer inability to offtake, the Green Ammonia is not supplied, for reasons not attributable to the Green Ammonia Producer. In such cases, the production compensation shall be restricted and payable by the Procurer as under and there shall be no other claim, directly or indirectly against SECI

Production Compensation= Price of Supply (i.e., GAPA Price) X Unprocured quantity of Green Ammonia due to the above provision*

Compensation (if any) calculated as per above provision, will be paid to the GAP at the end of such period of supply for which Procurer has not off-taken the Green Ammonia.

*Unprocured quantity of Green Ammonia will be the Scheduled Supply quantity which is to be supplied by the GAP to the Procurer during the period of Procurer's inability to off-take such Green Ammonia.

4.10.2 The compensation would be limited to the difference of the actual supply up to declared capacity subject to a maximum of the contracted capacity and the quantum of Green Ammonia scheduled by the procurer as per the Supply Schedule given by the procurer under RfS.

In case the Procurer has intimated GAP/SECI in the ongoing supply period i.e., quarter/month, as applicable, regarding its inability to off-take up to 10% of the Scheduled amount of Green Ammonia in the forthcoming Supply Schedule (for e.g. next quarter in case of quarterly Supply Schedule) then the Procurer is not liable to pay any compensation/Penalty to the GAP for such shortfall in off-take.

Further, in case Procurer intimates GAP/SECI in the ongoing supply period i.e., quarter/month, as applicable, regarding its inability to off-take more than 10% of the Scheduled amount of Green Ammonia in the forthcoming Supply Schedule (for e.g. next

quarter in case of quarterly Supply Schedule) and GAP is able to sell Green Ammonia to any other party in the corresponding Supply Schedule, then Procurer is liable to compensate the GAP price differential corresponding to shortfall in off-take beyond 10% of the scheduled quantum of supply. In case GAP fails to produce such quantity within that Supply Schedule period, then Procurer is not liable to pay compensation to GAP. Illustration:

1. Supply price of GA: Rs. 50/kg
2. Quarterly demand: 1000 kg
3. Next supply schedule: 1 July'28- 30 Sept'28
4. Demand Shortfall intimation by procurer: 15th June'28
5. Quantum of shortfall: 200 kg (20%)
6. Sale price realized by GAP for shortfall qt. (sl. 5)
 - a. 50 kg: Rs. 20/kg
 - b. 50 kg: Rs. 25/kg
 - c. 100 kg: Rs. 30/kg
7. Compensation/penalty to be paid by procurer (limited to shortfall beyond 10% of the scheduled supply quantum):
 - a. $100\text{kg} \times (50-30) = \text{Rs. } 2000$

The maximum price at which the Green Ammonia is sold shall be considered for the above calculation. It is to clarify that such penalty shall be paid by the Procurer to GAP only in case when the GAP has produced such Green Ammonia. Further, in case GAP fails to sell such quantity to any other party within that Supply Schedule period, then Procurer is not liable to pay compensation to GAP.

- 4.10.3 The GAP shall be eligible for payment from the Procurer, corresponding to the reduced offtake of Green Ammonia as per above mentioned methodology. The Payment is to be done as part of the monthly/periodic bill for the successive month/period. No Trading Margin shall be applicable on this Payment. The responsibility of safe disposal of any unsold Green Ammonia lies with the GAP.

ARTICLE 5. : COMMENCEMENT OF SUPPLY OF GREEN AMMONIA

5.1 Commencement of Supply Schedule:

- 5.1.1 The GAP shall give SECI and also to the Procurer at least sixty (60) days' advanced preliminary written notice and at least thirty (30) days' advanced final written notice, of the date on which it intends to commission the Green Ammonia Project.
- 5.1.2 The GAP shall commission the Project in line with provisions of the applicable rules and regulations. SECI or its Nominated Agency/Committee will verify the installation of rated capacity(ies) of the Project, with respect to the committed Installed Capacity as part of the GAPA. Date of commencement of supply will be on/after declaration of successful commissioning by SECI/Nominated Agency/Committee subject to off-take schedule given by the Procurer. The date of onset of commercial offtake of Green Ammonia by SECI/Procurer shall be determined as the date of commencement of Green Ammonia supply under the RfS/GAPA.
- 5.1.3 The GAP shall be permitted for commencement of Green Ammonia supply from full as well as part Contracted Capacity even prior to the SCSD. GAP will be free to sell Green Ammonia to any third party from such early commissioned Project Capacity (Part/Full) prior to SCSD. Procurer/SECI will be under no obligation to buy Green Ammonia from such early commissioned Project Capacity (Part/Full) prior to SCSD. GAP will not require any NOC from SECI/Procurer for such third party sale. Even in case of early part/full commencement of Green Ammonia supply, the GAPA will remain in force for a period of 10 (ten) years from the SCSD/extended SCSD.
- 5.1.4 There can be part commencement of Green Ammonia supply from the Contracted Capacity. Part commencement of supply of Green Ammonia from the Project shall be accepted by SECI/Procurer subject to the condition that the minimum capacity for acceptance of first part shall be 25% of Project Capacity, without prejudice to the imposition of penalty, in terms of the GAPA on the part which has not yet commenced supply of Green Ammonia. The Project can further commence supply of Green Ammonia in parts of at least 25% of the contracted capacity; with last part as the balance capacity.
- 5.1.5 The SECI & GAP agree that for the purpose of commencement of the supply of Green Ammonia by GAP, liquidated damages for delay etc., the SCSD/extended SCSD as defined in this Agreement shall be the relevant date for computation of liquidated damages.

ARTICLE 6. : SCHEDULING AND SUPPLY

6.1 Scheduling and Supply

- 6.1.1 The GAP shall be entirely responsible to schedule its Green Ammonia supply as per the terms and condition of RfS. Any deviation from the Schedule will attract the provisions of applicable regulation / guidelines / directions and any financial implication on account of this shall be on the account of the GAP.
- 6.1.2 The GAP shall be responsible for directly coordinating and dealing with the Procurer, and other authorities in all respects in regard to declaration of availability, scheduling and supply of Green Ammonia and acknowledging that the GAP and Procurer are the connected entities and SECI as an intermediary procurer is not a connected entity in respect of the Green Ammonia supply contracted under this Agreement.
- 6.1.3 Demurrage and Detention charges, if any, to be paid after the vessel reaches the delivery port or outside the gate of fertilizer company levied on account of reasons attributable to Procurer, shall be payable by the Procurer. It is to clarify that in case of reimbursement of Demurrage and Detention charges to GAP, through SECI, the invoice shall be paid without any rebate and trading margin.
- 6.1.4 GAP shall deliver Green Ammonia directly to Procurer at the Delivery Point. Till the successful delivery of GA at Delivery Point, risk of loss shall remain with GAP and after delivery of GA with Procurer.

ARTICLE 7. : QUALITY AND QUANTITY DETERMINATION

7.1 Meters

- 7.1.1 The GAP shall bear all costs pertaining to installation, testing, calibration, maintenance, renewal and repair of Product Meters/Flow meters or any other associated infrastructure for measurement of Quality & Quantity of Green Ammonia at GAP's side of Delivery Point.
- 7.1.2 The Green Ammonia as well as the production process must comply with technical product specification cited in the RfS, in compliance with any other quality parameters, specified from time to time by the Government of India.
- 7.1.3 GA shall be tested at the loading Point/point of dispatch at the GAP's manufacturing facility for its quality and quantity. The test certificate, as per agreed standards, shall be submitted by the GAP to the Procurer. This Inspection may also be carried out by the GAP through a third-party Quality Inspector empaneled by the Procurer. Timely audits may be undertaken by SECI/MNRE/Procurer to ensure that the GA and the production process of GA is in line with the technical specifications. The Procurer reserves the right to carry out its independent inspection of the GA for quality and quantity received at the Delivery Point, at its own cost including demurrage, if any applicable due to holding of container/ Supply Vessel for this purpose. In case of any dispute due to discrepancy in test certificates for quality of Green Ammonia in the tests conducted at loading point and delivery point, the test may be conducted through an agency nominated by MNRE or Department of Fertilizer at the delivery point. The test certificate, as submitted by the said agency, shall be final and binding on all the parties. Further, the cost for conducting such test and any other charges, as required, shall be borne by the party whose claim, regarding quality has been found incorrect.
- 7.1.4 The findings of the inspector shall be final and binding on both parties. However, parties shall reserve rights to raise disputes (if any) before the Dispute Resolution Authority.
- 7.1.5 The procurer has the right, at his own expense, to check the quality or quantity of the product at point of delivery. The certificate issued by the certified independent inspector shall be accepted by both parties and will be the basis for any quantity/quality claim by GAP. However, claim shall not be accepted if the difference between the bill of lading weight and the discharge weight determined by the certified independent surveyor is less than the minimum value in percentage i.e., within +/-0.05% of the claimed quantity as per bill of lading. In case the purity of GA supplied by GAP is found to be less than committed purity, procurer will be under no obligation to offtake such GA. Procurer/SECI/MNRE or their Nominated Agency may conduct audits to ensure that

the product and the production process is in line with the technical specifications.

7.2 Transportation and storage

- 7.2.1 In case of storage or transportation, the GA produced shall be stored in the suitable storage facilities complying with applicable standards and all the applicable safety regulations should be followed by the GAP.

ARTICLE 8. : INCENTIVE UNDER MODE 2A OF THE SIGHT SCHEME

8.1 Procedure for Incentive disbursement

- 8.1.1 The Production Facilities for supply of Green Ammonia awarded will be eligible for getting direct incentive by SECI in Rs./kg of Green Ammonia produced and supplied on annual basis for a period of 3 years from the date of Commencement of Supply to Procurer through SECI from full Project capacity/ Final Accepted Capacity by SECI as per RfS.
- 8.1.2 For each of the years in which the GAP is eligible for disbursement of incentive (“Incentive years”), the assessment of the GAP’s claims for eligibility of incentive will be carried out as per the RfS.
- 8.1.3 To verify the production commitments that have been fulfilled by the GAP, first visit to the Production Facility shall be conducted in the first month after commencement of supply. Thereafter, the visits may be carried out by SECI as per its own discretion. The traveling and lodging costs of officials from SECI/its designated agencies for each visit will be borne by SECI. All other costs pertaining to the inspection procedure will be borne by the GAP.
- 8.1.4 The GAP shall be required to give a self-declaration and a Cost Auditor’s certificate in support of meeting the production requirement, as part of its submission of claim for incentive for each year.
- 8.1.5 Incentive shall be disbursed to each successful bidder on an annual basis, after the requisite claim is received by SECI from the GAP and duly verified by SECI/Procurer.
- 8.1.6 It is hereby clarified that the incentives disbursed under this Scheme will be governed by applicable rules/laws under the Income Tax Act, 1961 and all applicable taxes on the incentive disbursed as per Income Tax/GST/any other will be borne by GAP.
- 8.1.7 GAP will be required to provide documents in support of the incentive claimed for a particular year based on actual production of Green Ammonia and its supply at the Delivery Point, subject to maximum supply equal to Awarded Capacity or Final Accepted Capacity by SECI as per RfS.
- 8.1.8 MNRE/SECI will also make provisions for adequate safeguards, including for periodical special audits and appointing technical organizations to conduct sample checks to verify claims of GAP in respect of production capacity for supply of Green Ammonia.
- 8.1.9 In case a GAP fails to meet the committed production and supply of Green Ammonia, then GAP will be eligible for incentive based on the actual production and supply of Green Ammonia. Further, in case of difference in the quantities of production and

supply of Green Ammonia, lower of the two values (either the production quantum or supply quantum) will be considered for incentive disbursement.

8.1.10 Disbursement of last tranche of incentive will mark the termination of the incentive period, with no further claims regarding incentives disbursement to be entertained by SECI/MNRE.

8.1.11 The Incentive may be disbursed quarterly, provided that GAP obtains Green Ammonia Certification in accordance with the established certification scheme subject to reconciliation on annual basis. In this case, clauses 8.1 and 8.2 shall be suitably modified accordingly.

8.2 Calculation and Disbursement of Incentive

8.2.1 There shall be an incentive for production and supply of Green Ammonia for a period of 3 years from the date of commencement of supply from full Project capacity/Final capacity accepted by SECI as per RfS. The incentive for the quoted production and supply capacity will be calculated year-wise as a product of following two components:

- a) Incentive (Rs./kg of Green Ammonia) for the particular year: The incentive will be Rs. 8.82/kg of Green Ammonia in the first year of production and supply, Rs. 7.06/kg during the second year of production and supply, and Rs. 5.30/kg during the third year of production and supply.
- b) Allocated capacity or Actual Production and supply (kg/annum of Green Ammonia) for the particular year.

8.2.2 Formula for calculation of incentive amount shall be as follows:

$$i=1$$

$$\text{Incentive payout (Rs.)} = \sum_{i=1}^3 (\text{Incentive}_i \times \text{Minimum of (Allocated Capacity or Actual Production and Supply)})$$

where,

- a. 'i' is the "year" counted from the reference date, ranging from 1 to 3;
- b. Incentive_i is the monetary allocation to Successful Bidder/GAP in Rs./kg of Green Ammonia production and supply, which shall be Rs. 8.82/kg in the first year of production and supply, Rs. 7.06/kg during the second year of production and supply, and Rs. 5.30/kg during the third year of production and supply.
- c. Allocated Capacity_i is the allocated quantum to the Successful Bidder/GAP for production and supply of Green Ammonia and shall remain constant over the entire term of GAPA;
- d. Actual Production and Supply_i is the actual quantum of Green Ammonia produced

and supplied by the Successful Bidder/ Green Ammonia Producer (GAP) to the SECI/Procurer;

8.2.3 An illustration to this effect is brought out as follows:

Allocated capacity for production and supply of Green Ammonia: 21,000 MT/annum

	Year 1	Year 2	Year 3
Incentive (Rs./kg of Green Ammonia)	8.82	7.06	5.30
Actual Production and Supply (MT)	21,000	24,000	17,500
Minimum of {Allocated Capacity or Actual Production and Supply} (MT)	21,000	21,000	17,500
Annual Incentive (Rs.)	18,52,20,000	14,82,60,000	9,27,50,000
Total Incentive (Rs. Cr.)	42.6230		

The above illustration gives an example of one of the possible incentive disbursement based on the allocated Production Capacity to a GAP, as per the RfS conditions.

8.2.4 In case, GAP has produced Green Ammonia but due to Procurer's inability to off take, GAP is unable to supply the Green Ammonia to the Procurer, then the incentive for the Green Ammonia Production and Supply shall be calculated as follows:

- a. Green Ammonia is sold to any other party: GAP shall submit the supporting documents for quality compliance, quantity sold (invoice, delivery challan, etc.) and certification of Green Ammonia along with other documents as mentioned in the RfS.
- b. Green Ammonia is stored and GAP is unable to sell the Green Ammonia: The incentive will be calculated on the quantum of Green Ammonia produced up to a maximum of the Supply Schedule quantity. GAP shall submit the supporting documents for quality compliance, quantity produced and certification of Green Ammonia along with other documents as mentioned in the RfS.

Further, GAP should ensure that the incentive once claimed for a consignment of Green Ammonia then the same consignment of Green Ammonia should not be submitted for claiming incentive again.

ARTICLE 9. : INSURANCES

9.1 Insurance

- 9.1.1 The GAP shall effect and maintain or cause to be effected and maintained, at its own cost and expense, throughout the Term of GAPA, Insurances against such risks to keep the Project in good condition and shall take Industrial All Risk insurance policy covering risks against any loss or damage, with such deductibles and with such endorsements and co-insured(s), which the Prudent Industry Practices would ordinarily merit maintenance of and as required under the Financing Agreements, GAPA, and under the applicable laws.
- 9.1.2 In case of any accident/damage/loss of any kind during production, storage, transportation upto delivery point SECI/Procurer shall not be responsible in any manner whatsoever. GAP shall ensure all safety protocols and adequate insurances till the delivery point.

9.2 Application of Insurance Proceeds

- 9.2.1 In case of the Project not being implemented through Financing Agreement(s), save as expressly provided in this Agreement or the Insurances, the proceeds of any insurance claim made due to loss or damage to the Green Ammonia Project or any part of the Green Ammonia Project shall be first applied to reinstatement, replacement or renewal of such loss or damage.
- In case of the Project being financed through Financing Agreement(s), save as expressly provided in this Agreement or the Insurances, the proceeds of any insurance claim made due to loss or damage to the Green Ammonia Project or any part of the Green Ammonia Project shall be applied as per such Financing Agreements.
- 9.2.2 If a Force Majeure Event renders the Green Ammonia Project no longer economically and technically viable and the insurers under the Insurances make payment on a “total loss” or equivalent basis, SECI shall have claim on such proceeds of such Insurance limited to outstanding dues of SECI against the Procurer (s) as per GASA entered into and any other dues of the Procurer (s) against GAP.

9.3 Effect on liability of SECI

- 9.3.1 Notwithstanding any liability or obligation that may arise under this Agreement, any loss, damage, liability, payment, obligation or expense which is insured or not or for which the GAP can claim compensation, under any Insurance shall not be charged to or payable by SECI or Procurer. It is for the GAP to ensure that appropriate insurance

SECI-GAP GAPA

coverage is taken for payment by the insurer for the entire loss and there is no under insurance or short adjustment etc.

ARTICLE 10. : APPLICABLE PRICE OF SUPPLY

- 10.1** Subsequent to commencement of Green Ammonia supply by the GAP on the terms contained in this Agreement, the GAP shall be entitled to receive the Price of Supply of Rs. / kg [Insert the price of supply discovered through the bidding process conducted by SECI], fixed for the entire term of this Agreement. Reduction in Price of Supply, if any, shall be governed by Article 4.6.2.
- 10.2** In case of early part-commencement of Green Ammonia supply from the project, till SCSD, the GAP will be free to sell the Green Ammonia, to any entity other than the SECI/Procurer.
- 10.3** Any excess production over and above quantity specified in Article 4.4.1, will be purchased at the Price of Supply mentioned at Article 10.1 above, provided Procurer consents for purchase of such excess production. Any quantity produced and supplied before SCSD shall not be at the cost of SECI/Procurer.

ARTICLE 11. : BILLING AND PAYMENT

11.1 General

11.1.1 From the commencement of supply of Green Ammonia, SECI shall pay to the GAP the monthly/periodic Supply Payments subject to the adjustments as per provisions of this Agreement including Article 6, in accordance with Article 10. All Supply Payments by SECI shall be in Indian Rupees.

11.2 Delivery and Content of Monthly Bills/Periodic Bills/Supplementary Bills

11.2.1 The Green Ammonia Producer (GAP) shall issue to SECI hard copy of a signed Monthly Bill/Periodic Bill/Supplementary Bill for the relevant period on any Business Day based on the issuance of Acceptance Certificate along with all relevant documents. Upon submission of invoice by GAP, the invoice along with the relevant documents will be verified and SECI shall issue monthly/periodic bill to Procurer on the date of acceptance of the monthly/periodic bill in hard copy from GAP (SECI shall accept the invoice from GAP not later than 2 working days from date of its receipt.)

11.2.2 The Monthly/Periodic Bill amount shall be the product of the Quantity of Green Ammonia supplied as per Acceptance Certificate and Applicable Price of Supply.

11.3 Payment of Monthly/Periodic Bills

11.3.1 SECI shall pay the amount payable under the Monthly Bill/Periodic Bill/ Supplementary Bill by the Due Date to such account of the GAP, as shall have been previously notified by the GAP as below.

11.3.2 All payments required to be made under this Agreement shall also include any deduction or set off for:

- i) deductions required by the Law; and
- ii) amount claimed by SECI, if any, from the GAP, will be adjusted from the monthly/periodic payment.

The GAP shall open a bank account (the "GAP's Designated Account") for all Supply Payments (including Supplementary Bills) to be made by SECI to the GAP, and notify SECI of the details of such account at least ninety (90) Days before the dispatch of the first Monthly/Periodic Bill. SECI shall also designate a bank account at New Delhi ("SECI Designated Account") for payments to be made by the GAP to SECI, if any, and notify the GAP of the details of such account ninety (90) Days before the SCSD. SECI and the GAP shall instruct their respective bankers to make all payments under this Agreement to the GAP's Designated Account or SECI's Designated Account, as the

case may be, and shall notify either Party of such instructions on the same day.

11.4 Late Payment Surcharge

- 11.4.1 In the event of delay in payment of a Monthly/periodic Bill by SECI beyond the Due Date, a Late Payment Surcharge shall be payable by SECI to the GAP on the outstanding payment, at the base rate of Late Payment Surcharge applicable for the period for the first month of default. "Base rate of Late Payment Surcharge" means the marginal cost of funds based lending rate for one year of the State Bank of India, as applicable on the 1st April of the financial year in which the period lies, plus five percent (500 bps) and in the absence of marginal cost of funds based lending rate, any other arrangement that substitutes it, which the Central Government may, by notification, in the Official Gazette, specify.
- 11.4.2 The Late Payment Surcharge shall be claimed by the GAP through the Supplementary Bill. Late Payment Surcharge shall be payable on the outstanding payment at the base rate of Late Payment Surcharge applicable for the period for the first month of default. The rate of Late Payment Surcharge for the successive months of default shall increase by 0.5 percent (50 bps) for every month of delay provided that the Late Payment Surcharge shall not be more than 3 percent higher than the base rate at any time.
- 11.4.3 If the period of default lies in two or more financial years, the base rate of Late Payment Surcharge shall be calculated separately for the periods falling in different years.
- 11.4.4 The above payment will be made by SECI subject to such late payment surcharge being duly received by SECI under the GASA from the Procurer/ Department of Fertilizers, Government of India.

11.5 Rebate

- 11.5.1 For payment of any Bill including Supplementary Bill on or before Due Date, the following Rebate shall be paid by the GAP to SECI in the following manner:
- A Rebate of 1.5% shall be payable to the SECI for the payments made within a period of 10 (ten) days of the presentation of hard copy of Bill.
 - Any payments made after ten (10) days up to and including the 30th Day after the date of presentation of Bill through hard copy, shall be allowed a rebate of 1 %.
 - No rebate shall be payable on the applicable taxes and bills raised on account of Change in Law relating to taxes, duties, cess etc.

For the above purpose, the date of presentation of Bill shall be the next Business Day of delivery of the physical copy of the Bill at SECI.

11.5.2 The Rebate as per Article 11.5.1 shall be applicable only in case the same is mutually agreed to by the GAP and the Procurer prior to signing of GASA.

11.6 Payment Security Mechanism

Letter of Credit (LC):

- 11.6.1 SECI shall provide to the GAP, in respect of payment of its Monthly/Periodic Bills and/or Supplementary Bills, a monthly unconditional, revolving and irrevocable letter of credit (“Letter of Credit”), opened and maintained which may be drawn upon by the GAP in accordance with this Article.
- 11.6.2 The Letter of Credit shall have a term of twelve (12) Months and shall be renewed annually, for an amount equal to:
- a. for the first Contract Year, equal to the estimated average monthly billing or;
 - b. for each subsequent Contract Year, equal to the average of the monthly billing of the previous Contract Year.
- 11.6.3 Provided that the GAP shall not draw upon such Letter of Credit prior to the Due Date of the relevant Monthly/Periodic Bill and/or Supplementary Bill, and shall not make more than one drawal in a Month.
- 11.6.4 Provided further that if at any time, such Letter of Credit amount falls short of the amount specified in Article 11.6.2 due to any reason whatsoever, SECI shall restore such shortfall before next drawl.
- 11.6.5 SECI shall cause the scheduled bank issuing the Letter of Credit to intimate the GAP, in writing regarding establishing of such irrevocable Letter of Credit.
- 11.6.6 SECI shall ensure that the Letter of Credit shall be renewed not later than its expiry.
- 11.6.7 All costs relating to opening, maintenance of the Letter of Credit shall be borne by SECI.
- 11.6.8 If SECI fails to pay undisputed Monthly/Periodic Bill or Supplementary Bill or a part thereof within and including the Due Date, then, subject to Article 11.6.3 & 11.7.2, the GAP may draw upon the Letter of Credit, and accordingly the bank shall pay, an amount equal to such Monthly/Periodic Bill or Supplementary Bill or part thereof, in accordance with Article 10.4.3 above, by presenting to the scheduled bank issuing the Letter of Credit, the following documents:
- i) a copy of the Monthly/Periodic Bill or Supplementary Bill which has remained unpaid to GAP and;
 - ii) a certificate from the GAP to the effect that the bill at item (i) above, or specified part thereof, is in accordance with the Agreement and has remained unpaid beyond the Due Date;

Payment Security Fund:

- 11.6.9 SECI may provide Payment Security Fund in place of Letter of Credit, which shall be (Insert Project ID)

suitable to support payment of at least 3 (three) months' billing, of all the Projects tied up with such fund. A Payment Security Mechanism will be established by MNRE for the Project under this Agreement to enable SECI to make timely payments to GAP.

11.7 Disputed Bill

11.7.1 If the SECI does not dispute a Monthly/Periodic Bill or a Supplementary Bill raised by the GAP within thirty (30) days of receiving such Bill shall be taken as conclusive.

11.7.2 If the SECI disputes the amount payable under a Monthly Bill or a Supplementary Bill, as the case may be, it shall pay complete undisputed amount and 50% of disputed amount, and it shall within thirty (30) days of receiving such Bill, issue a notice (the "Bill Dispute Notice") to the invoicing Party setting out:

- i) the details of the disputed amount;
- ii) its estimate of what the correct amount should be; and
- iii) all written material in support of its claim.

11.7.3 If the GAP agrees to the claim raised in the Bill Dispute Notice issued pursuant to Article 11.7.2, the GAP shall revise such Bill and present along with the next Monthly/Periodic Bill. In such a case, excess amount shall be refunded along with interest at the same rate as Late Payment Surcharge, which shall be applied from the date on which such excess payment was made by the disputing Party to the invoicing Party and up to and including the date on which such payment has been received as refund.

11.7.4 If the GAP does not agree to the claim raised in the Bill Dispute Notice issued pursuant to Article 11.7.2, it shall, within fifteen (15) days of receiving the Bill Dispute Notice, furnish a notice (Bill Disagreement Notice) to the SECI providing:

- i) reasons for its disagreement;
- ii) its estimate of what the correct amount should be; and
- iii) all written material in support of its counter-claim.

11.7.5 Upon receipt of the Bill Disagreement Notice by the SECI under Article 11.7.4, authorized representative(s) or a director of the board of directors/ member of board of the SECI and GAP shall meet and make best endeavours to amicably resolve such dispute within fifteen (15) days of receipt of the Bill Disagreement Notice.

11.7.6 If the Parties do not amicably resolve the Dispute within fifteen (15) days of receipt of Bill Disagreement Notice pursuant to Article 11.7.4, the matter shall be referred to Dispute resolution in accordance with Article 17.

11.7.7 For the avoidance of doubt, it is clarified the despite a Dispute regarding an invoice, SECI shall, without prejudice to its right to Dispute, be under an obligation to make

payment of complete undisputed amount and 50% of disputed amount in the Monthly/Periodic Bill.

11.8 Quarterly and Annual Reconciliation

- 11.8.1 The Parties acknowledge that all payments made against Monthly/Periodic Bills and Supplementary Bills shall be subject to quarterly reconciliation within 30 days of the end of the quarter at the beginning of the following quarter of each Contract Year and annual reconciliation at the end of each Contract Year within 30 days to take into account the Quantity Accounts, Supply adjustment payments, or any other reasonable circumstance provided under this Agreement.
- 11.8.2 The Parties, therefore, agree that as soon as all such data in respect of any quarter of a Contract Year or a full Contract Year as the case may be has been finally verified and adjusted, the GAP and SECI shall jointly sign such reconciliation statement. Within fifteen (15) days of signing of a reconciliation statement, the GAP shall make appropriate adjustments in the next Monthly/Periodic Bill. Interest shall be payable in such a case from the date on which such payment had been made to the invoicing Party or the date on which any payment was originally due, as may be applicable. Any Dispute with regard to the above reconciliation shall be dealt with in accordance with the provisions of Article 17.

11.9 Payment of Supplementary Bill

- 11.9.1 GAP may raise a ("Supplementary Bill") for payment on account of:
- i. Adjustments required by the Acceptance Certificate (if applicable); or
 - ii. Change in Law as provided in Article 13, or
 - iii. Payment under Article 4.10,
- And such Supplementary Bill shall be paid by the other Party.
- 11.9.2 SECI shall remit all amounts due under a Supplementary Bill raised by the GAP to the GAP's Designated Account by the Due Date. Except for payment under Article 11.9.1 (i), payment of Supplementary Bills will be made after realization of the same from the Procurer under the Green Ammonia Sale Agreement.

ARTICLE 12. : FORCE MAJEURE

12.1 Definitions

12.1.1 In this Article, the following terms shall have the following meanings:

12.2 Affected Party

12.2.1 An affected Party means SECI or the GAP whose performance has been affected by an event of Force Majeure.

12.3 Force Majeure

12.3.1 A 'Force Majeure' means any event or circumstance or combination of events those stated below that wholly or partly prevents or unavoidably delays an Affected Party in the performance of its obligations under this Agreement, but only if and to the extent that such events or circumstances are not within the reasonable control, directly or indirectly, of the Affected Party and could not have been avoided if the Affected Party had taken reasonable care or complied with Prudent Industry Practices:

- a) Act of God, including, but not limited to lightning, drought, fire and explosion (to the extent originating from a source external to the site), earthquake, volcanic eruption, landslide, flood, cyclone, typhoon or tornado if and only if it is declared / notified by the competent state / central authority / agency (as applicable);
- b) any act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, revolution, riot, insurrection, terrorist or military action if and only if it is declared / notified by the competent state / central authority / agency (as applicable); or
- c) radioactive contamination or ionising radiation originating from a source in India or resulting from another Force Majeure Event mentioned above excluding circumstances where the source or cause of contamination or radiation is brought or has been brought into or near the Green Ammonia Project by the Affected Party or those employed or engaged by the Affected Party.
- d) During the operation period of the Project, any breakdown/unavailability of transmission infrastructure (i.e., ISTS/STU/DISCOM), interrupting the RE power supply to the Project.
- e) An event of Force Majeure identified under GASA, thereby affecting delivery of Green Ammonia from GAP to Procurer.

12.4 Force Majeure Exclusions

12.4.1 Force Majeure shall not include (i) any event or circumstance which is within the reasonable control of the Parties and (ii) the following conditions, except to the extent that they are consequences of an event of Force Majeure:

- a. Unavailability, late delivery, or changes in cost of the plant, machinery, equipment, materials, spare parts or consumables for the Project;
- b. Delay in the performance of any contractor, sub-contractor or their agents;
- c. Non-performance resulting from normal wear and tear typically experienced in Green Ammonia Production materials and equipment;
- d. Strikes at the facilities of the Affected Party;
- e. Insufficiency of finances or funds or the agreement becoming onerous to perform; and
- f. Non-performance caused by, or connected with, the Affected Party's:
 - i. Negligent or intentional acts, errors or omissions;
 - ii. Failure to comply with an Indian Law; or
 - iii. Breach of, or default under this Agreement.

12.5 Notification of Force Majeure Event

12.5.1 The Affected Party shall give notice to the other Party of any event of Force Majeure as soon as reasonably practicable, but not later than fifteen (15) days after the date on which such Party knew or should reasonably have known of the commencement of the event of Force Majeure. If an event of Force Majeure results in a breakdown of communications rendering it unreasonable to give notice within the applicable time limit specified herein, then the Party claiming Force Majeure shall give such notice as soon as reasonably practicable after reinstatement of communications, but not later than one (1) day after such reinstatement. The other Party shall respond on the claim of the Affected Party within 15 days of receipt of the said intimation of Force Majeure.

12.5.2 Provided that such notice shall be a pre-condition to the Affected Party's entitlement to claim relief under this Agreement. Such notice shall include full particulars of the event of Force Majeure, its effects on the Party claiming relief and the remedial measures proposed. The Affected Party shall give the other Party regular (and not less than monthly) reports on the progress of those remedial measures and such other information as the other Party may reasonably request about the Force Majeure Event.

12.5.3 The Affected Party shall give notice to the other Party of (i) the cessation of the relevant event of Force Majeure; and (ii) the cessation of the effects of such event of Force

Majeure on the performance of its rights or obligations under this Agreement, as soon as practicable after becoming aware of each of these cessations.

12.6 Duty to Perform and Duty to Mitigate

12.6.1 To the extent not prevented by a Force Majeure Event pursuant to Article 12.3, the Affected Party shall continue to perform its obligations pursuant to this Agreement. The Affected Party shall use its reasonable efforts to mitigate the effect of any Force Majeure Event as soon as practicable.

12.7 Available Relief for a Force Majeure Event

12.7.1 Subject to this Article 12:

- (a) no Party shall be in breach of its obligations pursuant to this Agreement except to the extent that the performance of its obligations was prevented, hindered or delayed due to a Force Majeure Event;
- (b) every Party shall be entitled to claim relief in relation to a Force Majeure Event in regard to its obligations, including but not limited to those specified under Article 4.5;
- (c) For avoidance of doubt, neither Party's obligation to make payments of money due and payable prior to occurrence of Force Majeure events under this Agreement shall be suspended or excused due to the occurrence of a Force Majeure Event in respect of such Party.
- (d) Provided that no payments shall be made by either Party affected by a Force Majeure Event for the period of such event on account of its inability to perform its obligations due to such Force Majeure Event.

ARTICLE 13. :

13.1 Definitions

In these rules, unless the context otherwise requires, -

13.1.1 In this Article 13, the term “Change in Law” shall refer to the occurrence of any of the following events pertaining to this project (excluding Renewable Energy Power plant and Transportation) only after ____ [Enter the date as on 7 days prior to the last date of bid submission of the referred RfS], including any enactment or amendment or repeal of any law, leading to corresponding changes in the Project Cost requiring change in Price of supply, and includes-

- a. a change in interpretation of any law by a competent court; or
- b. a change in any domestic tax, including duty, levy, cess, charge or surcharge by the Central Government, State Government or Union territory administration leading to corresponding changes in the Project Cost; or
- c. a change in any condition of an approval or license obtained or to be obtained for production and sale of Green Ammonia, unless specifically excluded in the agreement for the production and sale of Green Ammonia, which results in any change in the cost, but does not include Any change in any withholding tax on income or dividends distributed to the shareholders of the GAP.

but does not include-

- i. Any change in any withholding tax/tax on income or dividends distributed to the shareholders of the GAP; or
- ii. Any event occurring after the SCSD/extended SCSD, which would not have affected the Project had the Project been commissioned before the SCSD/extended SCSD.
- iii. A Change in Law event affecting the construction and operation of the corresponding RE Project.
- iv. Change in Law event affecting the construction and operation of the transportation infrastructure/network /pipeline for delivery of Green Ammonia by the GAP to the Procurer.
- d. a change in taxes/duties/surcharges levied on purchase/off take of Renewable Energy for production of Green Ammonia.

13.1.2 The term “law” in this Article includes any Act, Ordinance, order, bye-law, rule, regulation, and notification, for the time being in force, in the territory of India.

13.2 Notification of Change in Law

- 13.2.1 The GAP shall, within thirty days of the occurrence of change in law, notify the Appropriate Authority (notified by Government of India), Procurer and SECI with all the relevant documents.
- 13.2.2 Pursuant to receipt of notice under Article 13.2.1, GAP shall provide to Appropriate Authority, Procurer and SECI, amongst other things, precise details of the Change in Law and its effect on the Project Cost, supported by documentary evidences including Statutory Auditor Certificate to this effect so as to establish one to one correlation and its impact on the Project Cost.
- 13.2.3 Appropriate Authority shall seek comments/observations on such notice for claim of change in law (along with supporting documents) from SECI/Procurer. Taking into consideration submissions made by all parties, the Appropriate Authority shall determine the following:
- i. Whether the claim event qualifies as change in law event or not?
 - ii. If it qualifies as change in law event, its impact on project cost including lumpsum and annuity amount.
- 13.2.4 “Project Cost” wherever applicable under this Article, shall mean the cost incurred by the GAP towards supply and services only for the Project concerned (excluding RE plant and transportation), upto the Actual commencement of Green Ammonia supply from the last part capacity or SCSD (including extended SCSD), whichever is earlier. For example, in case the date of Actual Commencement of Green Ammonia supply from the last part capacity is 15.04.2027, Original SCSD was 15.03.2027 and extended SCSD is 01.04.2027, the Project Cost shall be determined as the cost incurred by the GAP up to 01.04.2027.

ARTICLE 14. : EVENTS OF DEFAULT AND TERMINATION

14.1 GAP Event of Default

14.1.1 The occurrence and/or continuation of any of the following events, unless any such event occurs as a result of a Force Majeure Event or a breach by SECI or Procurer of its obligations under this Agreement, shall constitute a GAP Event of Default:

- (i) the failure to commence supply of Green Ammonia to Procurer through SECI up to the Contracted Capacity, by the end of the period specified in Article 4, or failure to meet minimum periodic Supply Schedule obligation of Green Ammonia to Procurer through SECI as specified in Article 4.4.1, for a period of at least 12 consecutive months, after the commencement of supply of Green Ammonia, throughout the term of this Agreement, or if
 - a) the GAP assigns, mortgages or charges or purports to assign, mortgage or charge any of its assets or rights related to the Green Ammonia Project in contravention of the provisions of this Agreement; or
 - b) the GAP transfers or novates any of its rights and/ or obligations under this agreement, in a manner contrary to the provisions of this Agreement; except where such transfer
 - is in pursuance of a Law; and does not affect the ability of the transferee to perform, and such transferee has the financial capability to perform, its obligations under this Agreement or
 - is to a transferee who assumes such obligations under this Agreement and the Agreement remains effective with respect to the transferee;
- (ii) if (a) the GAP becomes voluntarily or involuntarily the subject of any bankruptcy or insolvency or winding up proceedings and such proceedings remain uncontested for a period of thirty (30) days, or (b) any winding up or bankruptcy or insolvency order is passed against the GAP, or (c) the GAP goes into liquidation or dissolution or has a receiver or any similar officer appointed over all or substantially all of its assets or official liquidator is appointed to manage its affairs, pursuant to Law, provided that a dissolution or liquidation of the GAP will not be a GAP Event of Default if such dissolution or liquidation is for the purpose of a merger, consolidation or reorganization and where the resulting company retains creditworthiness similar to the GAP and expressly assumes all obligations of the GAP under this Agreement and is in a position to perform them; or

- (iii) the GAP repudiates this Agreement and does not rectify such breach within a period of thirty (30) days from a notice from SECI in this regard; or
- (iv) except where due to any SECI's failure to comply with its material obligations, the GAP is in breach of any of its material obligations pursuant to this Agreement, and such material breach is not rectified by the GAP within thirty (30) days of receipt of first notice in this regard given by SECI.
- (v) change in controlling shareholding of the GAP before the specified time frame as mentioned in Article 4.1.1 of this Agreement; or
- (vi) occurrence of any other event which is specified in this Agreement to be a material breach/ default of the GAP.
- (vii) except where due to any SECI's failure to comply with its material obligations, the GAP is in breach of any of its material obligations pursuant to this Agreement, and such material breach is not rectified by the GAP within thirty (30) days of receipt of first notice in this regard given by SECI.

14.2 SECI Event of Default

14.2.1 The occurrence and the continuation of any of the following events, unless any such event occurs as a result of a Force Majeure Event or a breach by the GAP of its obligations under this Agreement, shall constitute the Event of Default on the part of defaulting SECI:

- (i) SECI fails to pay (with respect to a Monthly Bill or Periodic Bill or a Supplementary Bill), subject to Article 11.7, for a period of ninety (90) days after the Due Date and the GAP is unable to recover the amount outstanding to the GAP through the Letter of Credit,
- (ii) SECI repudiates this Agreement and does not rectify such breach even within a period of sixty (60) days from a notice from the GAP in this regard; or
- (iii) except where due to any GAP's failure to comply with its obligations, SECI is in material breach of any of its obligations pursuant to this Agreement, and such material breach is not rectified by SECI within sixty (60) days of receipt of notice in this regard from the GAP to SECI; or if
 - SECI becomes voluntarily or involuntarily the subject of any bankruptcy or insolvency or winding up proceedings and such proceedings remain uncontested for a period of sixty (60) days, or
 - any winding up or bankruptcy or insolvency order is passed against SECI, or

- SECI goes into liquidation or dissolution or a receiver or any similar officer is appointed over all or substantially all of its assets or official liquidator is appointed to manage its affairs, pursuant to Law, provided that it shall not constitute a SECI Event of Default, where such dissolution or liquidation of SECI is for the purpose of a merger, consolidation or reorganization and where the resulting entity has the financial standing to perform its obligations under this Agreement and has creditworthiness similar to SECI and expressly assumes all obligations of SECI and is in a position to perform them; or;
- (iv) If Procurer is subject to any of the above defaults and SECI does not designate another or other Procurer for purchase of Green Ammonia.
- (v) Occurrence of any other event which is specified in this Agreement to be a material breach or default of SECI.

14.3 Procedure for cases of GAP Event of Default

- 14.3.1 Upon the occurrence and continuation of any GAP Event of Default under Article 14.1, SECI shall have the right to deliver to the GAP, with a copy to the representative of the lenders to the GAP with whom the GAP has executed the Financing Agreements, a notice stating its intention to terminate this Agreement (SECI Preliminary Default Notice), which shall specify in reasonable detail, the circumstances giving rise to the issue of such notice.
- 14.3.2 Following the issue of a SECI Preliminary Default Notice, the Consultation Period of ninety (90) days or such longer period as the Parties may agree, shall apply and it shall be the responsibility of the Parties to discuss as to what steps shall be taken with a view to mitigate the consequences of the relevant Event of Default having regard to all the circumstances.
- 14.3.3 During the Consultation Period, the Parties shall continue to perform their respective obligations under this Agreement.
- 14.3.4 Within a period of seven (7) days following the expiry of the Consultation Period unless the Parties shall have otherwise agreed to the contrary or the GAP Event of Default giving rise to the Consultation Period shall have ceased to exist or shall have been remedied, SECI may terminate this Agreement by giving a written Termination Notice of sixty (60) days to the GAP.
- 14.3.5 Subject to the terms of this Agreement, upon occurrence of a GAP Event of Default under this Agreement, the GAP shall be liable to pay to SECI, liquidated damages, as provided in Article 4.6 of the GAPA for failure to commence supply of Green Ammonia

within the stipulated time and Article 4.4.1 for failure to supply Green Ammonia in terms of the GAPA. For other cases, the GAP shall be liable to pay to Procurer, damages, equivalent to 36 (Thirty Six) months, or balance GAPA period, whichever is less, for its contracted capacity with the stipulated availability.

SECI shall have the right to recover the said damages by way of forfeiture of bank guarantee/Payment on Order Instrument, if any, without prejudice to resorting to any other legal course or remedy.

In addition to the levy of damages as aforesaid, the lenders in concurrence with the Procurer and SECI, may exercise their rights, if any, under Financing Agreements, to seek substitution of the GAP by a selectee for the residual period of the Agreement, for the purpose of securing the payments of the total debt amount from the GAP and performing the obligations of the GAP. However, in the event the lenders are unable to substitute the defaulting GAP within the stipulated period, SECI may terminate the GAPA. Provided that any substitution under this Agreement can only be made with the prior consent of SECI including the condition that the selectee meets the eligibility requirements of Request for Selection (RfS) issued by SECI and accepts the terms and conditions of this Agreement.

- 14.3.6 The lenders in concurrence with the Procurer and SECI, may seek to exercise right of substitution under Article 14.3.5 by an amendment or novation of the GAPA in favour of the selectee. The GAP shall cooperate with SECI to carry out such substitution and shall have the duty and obligation to continue to operate the Green Ammonia Project in accordance with this GAPA till such time as the substitution is finalized. In the event of Change in Shareholding/Substitution of Promoters triggered by the Financial Institutions leading to signing of fresh GAPA with a new entity, an amount of Rs. 10 Lakh per Project+ 18% GST per transaction as facilitation fee (non-refundable) shall be deposited by the GAP to SECI.
- 14.3.7 In the event the lenders are unable to substitute the defaulting GAP within the stipulated period, SECI may terminate the GAPA.

14.4 Procedure for cases of SECI Event of Default

- 14.4.1 Upon the occurrence and continuation of any SECI Event of Default specified in Article 14.2, the GAP shall have the right to deliver to SECI, a GAP Preliminary Default Notice, which notice shall specify in reasonable detail the circumstances giving rise to its issue.
- 14.4.2 Following the issue of a GAP Preliminary Default Notice, the Consultation Period of ninety (90) days or such longer period as the Parties may agree, shall apply and it shall

be the responsibility of the Parties to discuss as to what steps shall be taken with a view to mitigate the consequences of the relevant Event of Default having regard to all the circumstances.

14.4.3 During the Consultation Period, the Parties shall continue to perform their respective obligations under this Agreement.

14.4.4 After a period of two hundred ten (210) days following the expiry of the Consultation Period and unless the Parties shall have otherwise agreed to the contrary or SECI Event of Default giving rise to the Consultation Period shall have ceased to exist or shall have been remedied, SECI under intimation to the Procurer and the GAP shall, subject to the prior consent of the GAP, novate its part of the GAPA to any third party, including its Affiliates within the stipulated period. In the event the aforesaid novation is not acceptable to the GAP, or if no offer of novation is made by SECI within the stipulated period, then the GAP may terminate the GAPA and at its discretion require SECI to pay to the GAP, damages, equivalent to 36 (thirty six) months, or balance GAPA period, whichever is less, for its contracted capacity with the stipulated availability.

14.4.5 In case SECI's Event of Default is triggered by a default on the part of the Procurer, the above amount will be recovered by SECI from the Procurer and subsequently passed on to GAP. SECI's default shall be limited to the amount which can be recovered from the Procurer for the default on the part of the Procurer.

14.5 Termination due to Force Majeure

If the Force Majeure Event or its effects continue to be present beyond the period as specified in Article 4.5.2, termination of this Agreement shall be caused solely at the discretion of SECI and there shall not be any liability (to SECI) arising out of such termination. In such an event, this Agreement shall terminate on the date of such Termination Notice issued by SECI without any further liability to either Party from the date of such termination.

ARTICLE 15. : LIABILITY AND INDEMNIFICATION

15.1 Indemnity

15.1.1 The GAP shall indemnify, defend and hold SECI and Procurer harmless against:

- a) any and all third party claims against SECI and Procurer for any loss of or damage to property of such third party, or death or injury to such third party, arising out of a breach by the GAP of any of its obligations under this Agreement or due to the GAP's willful misconduct, gross negligence or fraudulent behaviour or violations of Applicable Law; and
- b) any and all losses, damages, costs and expenses including legal costs, fines, penalties and interest actually suffered or incurred by SECI and Procurer from third party claims arising by reason of a breach by the GAP of any of its obligations under this Agreement, (provided that this Article 15 shall not apply to such breaches by the GAP, for which specific remedies have been provided for under this Agreement).

15.1.2 SECI shall cause the Procurer to indemnify, defend and hold the GAP harmless against:

- a) any and all third party claims against the GAP, for any loss of or damage to property of such third party, or death or injury to such third party, arising out of a breach by Procurer of any of their obligations under this Agreement; and
- b) any and all losses, damages, costs and expenses including legal costs, fines, penalties and interest ('Indemnifiable Losses') actually suffered or incurred by the GAP from third party claims arising by reason of a breach by Procurer of any of its obligations. SECI shall incorporate appropriate covenants in the GASA for the above obligations of Procurer. In so far as indemnity to GAP is concerned, Procurer shall be the indemnifying party and not SECI.

15.2 Procedure for claiming Indemnity

15.2.1 Third party claims

- a. Where the Indemnified Party is entitled to indemnification from the Indemnifying Party pursuant to Article 15.1.1(a) or 15.1.2(a), the Indemnified Party shall promptly notify the Indemnifying Party of such claim referred to in Article 15.1.1(a) or 15.1.2(a) in respect of which it is entitled to be indemnified.

Such notice shall be given as soon as reasonably practicable after the Indemnified Party becomes aware of such claim. The Indemnifying Party shall be liable to settle the indemnification claim within thirty (30) days of receipt of the above notice. Provided however that, if:

- i) the Parties choose to refer the dispute in accordance with Article 17.3.1; and
- ii) the claim amount is not required to be paid/ deposited to such third party pending the resolution of the Dispute,

The Indemnifying Party shall become liable to pay the claim amount to the Indemnified Party or to the third party, as the case may be, promptly following the resolution of the Dispute, if such Dispute is not settled in favour of the Indemnified Party.

- b. The Indemnified Party may contest the claim by referring to the Appropriate Authority for which it is entitled to be Indemnified under Article 15.1.1(a) or 15.1.2(a) and the Indemnifying Party shall reimburse to the Indemnified Party all reasonable costs and expenses incurred by the Indemnified party. However, such Indemnified Party shall not settle or compromise such claim without first getting the consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

An Indemnifying Party may, at its own expense, assume control of the defence of any proceedings brought against the Indemnified Party if it acknowledges its obligation to indemnify such Indemnified Party, gives such Indemnified Party prompt notice of its intention to assume control of the defence, and employs an independent legal counsel at its own cost that is reasonably satisfactory to the Indemnified Party.

15.3 Indemnifiable Losses

- 15.3.1 Where an Indemnified Party is entitled to Indemnifiable Losses from the Indemnifying Party pursuant to Article 15.1.1(b) or 15.1.2(b), the Indemnified Party shall promptly notify the Indemnifying Party of the Indemnifiable Losses actually incurred by the Indemnified Party. The Indemnifiable Losses shall be reimbursed by the Indemnifying Party within thirty (30) days of receipt of the notice seeking Indemnifiable Losses by the Indemnified Party. In case of nonpayment of such losses after a valid notice under this Article 15.3, such event shall constitute a payment default under Article 14.

15.4 Limitation on Liability

- 15.4.1 Except as expressly provided in this Agreement, neither the GAP nor SECI nor Procurer nor its/ their respective officers, directors, agents, employees or affiliates (or their officers, directors, agents or employees), shall be liable or responsible to the other Party or its affiliates, officers, directors, agents, employees, successors or permitted assigns or their respective insurers for incidental, indirect or consequential damages, connected with or resulting from performance or non-performance of this Agreement, or anything done in connection herewith, including claims in the nature of lost revenues, income or profits (other than payments expressly required and properly due under this Agreement), any increased expense of, reduction in or loss of Green Ammonia generation or equipment used thereof, irrespective of whether such claims are based upon breach of warranty, tort (including negligence, whether of Procurer, the GAP or others), strict liability, contract, breach of statutory duty, operation of law or otherwise.
- 15.4.2 SECI shall have no recourse against any officer, director or shareholder of the GAP or any Affiliate of the GAP or any of its officers, directors or shareholders for such claims excluded under this Article. The GAP shall have no recourse against any officer, director or shareholder of SECI or Procurer, or any affiliate of SECI or any of its officers, directors or shareholders for such claims excluded under this Article.

15.5 SECI's Liability

- 15.5.1 Notwithstanding anything to the contrary contained in this Agreement, the Parties acknowledge and accept that the SECI is an Intermediary Company to purchase and resell the Green Ammonia to the Procurer, therefore, the performance of the obligations of the SECI under this Agreement shall be subject to the ability of the SECI to enforce the corresponding obligations assumed by the Procurer on re-sale under the Green Ammonia Sale Agreement entered with the Procurer by SECI. It is specifically agreed that the payment of money becoming due from the SECI to the GAP under this Agreement for supply of Green Ammonia to the extent of the Contracted Capacity shall not be on a back to back basis and will be made as per the recourse under the Payment Security Mechanism provided in the GAPA and SOP provided by DoF (Schedule-6)
- 15.5.2 The parties agree that in respect of the obligations other than the supply payment obligation specifically mentioned herein above, in the event the GAP has any claim against the SECI in regard to the performance of any obligation of the SECI under this Agreement or enforcement of any right of the GAP against the SECI under this Agreement, the same shall be subject to the ability of the SECI to enforce the

corresponding obligations assumed by the Procurer under the Green Ammonia Sale Agreement entered into between SECI and the Procurer on resale on mutatis mutandis basis and not otherwise.

15.6 Duty to Mitigate

15.6.1 The Parties shall endeavor to take all reasonable steps so as to mitigate any loss or damage which has occurred under this Article 15.

ARTICLE 16.: ASSIGNMENTS AND CHARGES

16.1 Assignments

This Agreement shall be binding upon, and inure to the benefit of the Parties and their respective successors and permitted assigns. This Agreement shall not be assigned by any Party, except to the Project Lenders or Lender's Representative as security for their debt under the Financing Agreements, other than by mutual consent between the Parties to be evidenced in writing. Such assignment shall be agreed to by SECI subject to the compliance of provisions contained in this Agreement and more specifically to the provisions of Article 4.1.1 of this Agreement. In no case, such assignment shall be permissible prior to the declaration of COD.

Provided that, SECI shall permit assignment of any of GAP's rights and obligations under this Agreement in favour of the lenders to the GAP, if required under the Financing Agreements.

Provided that, such consent shall not be withheld if SECI seeks to transfer to any transferee all of its rights and obligations under this Agreement.

The enforcement of the rights and obligation between the GAP and the Procurer provided in this Agreement and in the GASA shall not be treated as an assignment but an enforcement of the terms agreed under this Agreement.

Provided further that any successor(s) or permitted assign(s) identified after mutual agreement between the Parties may be required to execute a new agreement on the same terms and conditions as are included in this Agreement. An amount of Rs. 5 Lakh per Transaction as Facilitation Fee (non-refundable) shall be deposited by the GAP to SECI. Provided further that, such consent shall not be withheld by the GAP if SECI seeks to transfer to any affiliate all of its rights and obligations under this Agreement.

In the event of Change in Shareholding/Substitution of Promoters triggered by the Financial Institutions leading to signing of fresh GAPA with a New Entity, an amount of Rs. 10 Lakh per Project+ 18% GST per transaction as Facilitation Fee (non-refundable) shall be deposited by the GAP to SECI.

16.2 Permitted Charges

16.2.1 GAP shall not create or permit to subsist any encumbrance over all or any of its rights and benefits under this Agreement, other than as set forth in Article 16.1 and the Guidelines.

ARTICLE 17. : GOVERNING LAW AND DISPUTE RESOLUTION

17.1 Governing Law

17.1.1 This Agreement shall be governed by and construed in accordance with the Laws of India. Any legal proceedings in respect of any matters, claims or disputes under this Agreement shall be under the jurisdiction of appropriate courts in Delhi.

17.2 Amicable Settlement and Dispute Resolution

17.2.1 Amicable Settlement

- i. Either Party is entitled to raise any claim, dispute or difference of whatever nature arising under, out of or in connection with this Agreement (“Dispute”) by giving a written notice (Dispute Notice) to the other Party, which shall contain:
 - (a) a description of the Dispute;
 - (b) the grounds for such Dispute; and
 - (c) all written material in support of its claim.
- ii. The other Party shall, within thirty (30) days of issue of Dispute Notice issued under Article 17.2.1(i), furnish:
 - (a) counter-claim and defences, if any, regarding the Dispute; and
 - (b) all written material in support of its defences and counter-claim.
- iii. Within thirty (30) days of issue of Dispute Notice by any Party pursuant to Article 17
 - (a) if the other Party does not furnish any counter claim or defence under Article 17.
 - (b) or thirty (30) days from the date of furnishing counter claims or defence by the other Party, both the Parties to the Dispute shall meet to settle such Dispute amicably. If the Parties fail to resolve the Dispute amicably within thirty (30) days from the later of the dates mentioned in this Article 17.2.1.
 - (c) the Dispute shall be referred for dispute resolution in accordance with Article 17.3.

17.3 Dispute Resolution

17.3.1 Dispute Resolution by the Appropriate Authority

- i) Where any Dispute or differences arises in relation to this agreement of any nature whatsoever including the construction, interpretation or implementation of the provisions of this agreement as well as claim made by any Party for any change in Price of Supply or any matter related to price of supply or claims made by any Party which partly or wholly relate to any change in the Price of Supply of any of such claims could result in change in the Price of Supply, and relates to any matter agreed to be referred to the Dispute Resolution Committee (DRC) constituted by MNRE, shall be submitted to adjudication by the DRC.
- ii) SECI shall be entitled to co-opt the Procurer and/or the lenders (if any) as a supporting party in such proceedings before the DRC.

17.4 Parties to Perform Obligations

- 17.4.1 Notwithstanding the existence of any Dispute and difference referred to the DRC and save as the DRC/MNRE may otherwise direct by a final or interim order, the Parties hereto shall continue to perform their respective obligations (which are not in dispute) under this Agreement.

ARTICLE 18. : MISCELLANEOUS PROVISIONS

18.1 Amendment

18.1.1 This Agreement may only be amended or supplemented by a written agreement between the Parties.

18.2 Third Party Beneficiaries

18.2.1 Subject to provisions contained in this agreement relating to back to back implications of the GAPA as well as GASA, this Agreement is solely for the benefit of the Parties and their respective successors and permitted assigns and shall not be construed as creating any duty, standard of care or any liability to, any person not a party to this Agreement.

18.3 Waiver

18.3.1 No waiver by either Party of any default or breach by the other Party in the performance of any of the provisions of this Agreement shall be effective unless in writing duly executed by an authorized representative of such Party.

18.3.2 Neither the failure by either Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement nor time or other indulgence granted by one Party to the other Parties shall act as a waiver of such breach or acceptance of any variation or the relinquishment of any such right or any other right under this Agreement, which shall remain in full force and effect.

18.4 Confidentiality

18.4.1 The Parties undertake to hold in confidence this Agreement and not to disclose the terms and conditions of the transaction contemplated hereby to third parties, except:

- a) to their professional advisors;
- b) to their officers, contractors, employees, agents or representatives, financiers, who need to have access to such information for the proper performance of their activities; or
- c) disclosures required under Law, without the prior written consent of the other Party.

18.5 Severability

18.5.1 The invalidity or unenforceability, for any reason, of any part of this Agreement shall not prejudice or affect the validity or enforceability of the remainder of this Agreement, unless the part held invalid or unenforceable is fundamental to this Agreement.

18.6 Notices

18.6.1 All notices or other communications which are required to be given under this Agreement shall be in writing and in the English language.
